**Algebra for College Students** Robert Blitzer, 2002 Algebra for College Students fourth edition is written for students who have had the equivalent of one year of high school algebra. The content of the book is drawn from both intermediate algebra and college algebra and provides comprehensive coverage of the topics required in a strong one term course in intermediate algebra or a one term algebra for college students course. The goal of the Blitzer Algebra series is to provide students with a strong foundation in Algebra. Each text is designed to develop students critical thinking and problem solving capabilities and prepare students for subsequent Algebra courses as well as service math courses. Topics are presented in an interesting and inviting format incorporating real world sourced data and encouraging modeling and problem solving.

*Volume 1 of Inter. Acct, 10th Edition with Update Chapter* Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2002-02-11 **Practical Financial Management** William Lasher, Peggy L. Hedges, Terry J. Fegarty, 2006 The first Canadian edition of Practical Financial Management is the latest milestone in a journey in education shared by the authors. They believe that most finance texts are harder for students to understand than they should be. The issue is relatively unique to this field. Practical Financial Management is unique because of its approach to teaching finance that approach is the result of a combination of classroom and practical experience. The book is easy to read, enjoyable and non-intimidating. In other words the text is accessible and the reviewers have been unanimous in their praise of the work's conversational style and readability.
