The Mobile Marketing Revolution: How Your Brand Can Have a One-to-One Conversation with Everyone Jed Alpert, 2012-04-13 One to One is transforming our world here s how you can join the Revolution What would your organization do with a technology that lets you crowdsource instantly and effortlessly and reach people who WANT to

hear from you wherever they happen to be. Such a tool already exists and it's in billions of mobile devices worldwide: SMS or text messaging. However, there's more to messaging than simply broadcasting texts. To succeed with mobile messaging in the long term without disrupting your business or distracting your customers, you need to understand the bigger movement that's underway. The Mobile Marketing Revolution gives you the framework to listen, to empower, inform, engage, and enlist the very people on which your success depends. From fundraising to polling to selling products and services, this book shows how to use mobile messaging to turn even the briefest initial interaction into a permanent, engaged relationship. Better still, you can achieve all this without expanding overhead or building campaigns from scratch, but instead by integrating mobile into your organization's existing processes and practices. *Pizza Today*, 2010-07
