Paradise Updated Mic Looby,2011-08-01 Sun Sand Sex sounds like the perfect tropical getaway Shame that heads are about to roll There are precious few places in the world stilluntouched by the marauding tourist Paradise Lost Chance would be a fine thing Paradise Very Well Trodmore like it Paradise Packaged Paradise Marketed Paradise Sold in Easy to Enjoy Portions And if there smoney to be made shining light onto the dark corners ofthe world SmallWorld wrote the book on it Robert Rind is a legend in guidebook circles He swillful individual and resolutely old school definitelynot one to follow the corporate trail It s little wonderSmallWorld has decided he s updated his last edition Mithra is young pliable and fits the Company s senseof itself Going Forward So what if she s never

traveled and never written. She's the perfect person to send to tropical Maganda to reel Rind in. But as any seasoned traveler will tell you, no matter how well you plan in advance, expectations and reality rarely measure up. And Robert Rind is unlikely to come quietly. Mic Looby's masterful debut novel weaves a hilarious and hair-raising tale of corporate skullduggery and compromised idealism. From unruly rebels to unhinged expatriates from its bustling street markets to five-star beach resorts, this is one tropical paradise that isn't all the guidebooks would have you believe. MIC LOOBY worked for many years as an editor and writer for Lonely Planet and wrote several books on Asian countries, including the first one on Myanmar. This book is in no way based on any of those experiences. Honestly, He has also illustrated three titles in the It's True series of children's non-fiction books published by Allen Unwin and draws a weekly cartoon for the Herald Sun. He is also a columnist for The Big Issue Australia. This is his first novel.
