Jane Amana Ekong,2022-09-07 It was on a smoldering hot day that the young teen Jane was walking briskly from her house toward the street a break from her usual habit of hiding indoors to avoid a chance encounter with soldiers who could capture her Suddenly she sensed a shadow overhead which was accompanied by the dreaded whistling sound of bombs pushing downward through the air She knew immediately that she was in extreme danger She quickly looked up to determine the

bombs direction so she could deduce the best avoidance strategy Unfortunately it seemed already too late as the scotching heat above her head indicated the bombs close proximity Before she could act everything went dark and there was deadly silence Later as she pushed debris out of her mouth after realizing she was miraculously still alive Jane had no idea that this astonishing outcome would be just one of many in her future In a riveting retelling of her experiences as a young girl living through the Nigerian Civil War Dr Jane recounts amazing incidences of near death occurrences with escapes that defy explanation While inviting others into her journey through the chaos she encourages us to explore with her whether wartime chaos and the abundance of impossible odds could be breeding grounds for divine interventions miracles and the impetus to evaluate events in our lives differently Loved Beyond Compare is the gripping memoir of a Nigerian girl's experiences as she and her family struggled to survive the vicious civil war that raged around them Australian Journal of Experimental Agriculture ,2008 **Sport Aviation and the Experimenter** ,1992 **Skyways** ,1952 **Consumers' research bulletin annual** ,1941 Consumers' Research Bulletin Annual Cumulative Number ,1940 **Consumers' Research Bulletin Annual Cumulative Number** Mary Catherine Phillips,1940 Television/radio Age ,1985 Fourth Estate ,1918
