**How To Earn More Than \$100 Making Memes** Malik Jordan,2020-04-06 A useful short affordable book that teaches you how to earn more money with memes has finally been written Malik Jordan My name is Malik McCotter Jordan but you can call me Malik Jordan I am the author of this book How To Earn More Than 100 Making Memes in 4 Simple Steps 2020 is quite frankly nothing but a short book showing aspiring professional funny meme creators how to make money on fiverr com Most authors overpromise and under deliver when they write their book introduction That is not what I am about to do In this introduction I will tell you how to earn more than 100 making memes in 4 simple steps My advice will be practical and straight to the point Let s Be Honest Book introductions are basically a form of marketing to get people to buy the book In this book introduction I am going to be very transparent with you I ll be so transparent with you that you may lose interest in this book and choose not to buy it and that is fine with me Did I write this introduction to market it to you and to get book sales The answer is yes but I do not want just anyone to buy this book I want this book to be bought by people who are serious about earning money with memes Why I Wrote This Book s Introduction I wrote this book s introduction to get sales and weed out the people who would be wasting their time if they bought this book I am not like all of the other writers out there I am not desperate for your money This book is not for everybody and I knew this before I even began writing it This is not the book for you if you do not already know how to make memes This book is for people who already have experience in making memes This book is for people who would like to know how to go about earning money with their already established meme creating abilities This book does not teach you how to make a meme This book doesn t take more than a week to read and it isn t expensive at all This Book Is Cheap For just the low price of 2.99 you can learn how to earn more than 100 making memes According to CollegeBoard com the national average for college textbooks is 1137 per year You purchasing this book will be an inexpensive investment in your future and if you practice the 4 SIMPLE steps in this book it will pay for itself 3 Reasons Why This Book Is So Cheap The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials Millenials are the poorest generation so far

That's why I made this book 2.99 and not 14.99 when I self published it. The second reason this book is so cheap is because it is SUPER short. Usually when you hear advice that is straight to the point it is short. The truth is usually short, straight to the point and simple, just like this book. The third reason why this book is so cheap is because it didn't take a lot of money to write and self-publish this book. In the first place, I don't owe a book publishing company money, so I'm not about to charge you over 10 for a book like this. What You Are Being Sold: I'm not selling you the perfect book because the perfect book doesn't exist, no matter how much work I put into it or hire someone else to put into it. I'm selling you a book with practical, easy to understand steps on how to earn more than 100 making memes.

**QUICK DISCLAIMER** Before I get into the 4 steps that will be taught to you, I want to let you know a few things. This is not a scam. No, the steps will not be easy, but they are not hard either. The 4 steps are SIMPLE. If you aren't satisfied, you can get your money back. Usually when people do research on how to create an extra stream of income, they come across things like affiliate marketing and making YouTube videos. This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income. Don't Cheat The System. The most challenging steps are steps one, two, and four. Step three is the part I am sure you will like the most. Unfortunately, if you do not do steps one and two, you will not be able to do the rest of the steps, so do not try to cheat this system. You will only be wasting your own time.

**Can I Earn More Than 100 Making Memes?** I know what you're probably thinking, and the answer is yes. You can earn more than 100 making memes. I have done it before. There is no limit to how much money you can earn making memes. What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST 100 dollars making memes. As long as you have a talent for making memes and self-efficacy, you will be able to earn more than 100 making memes.

**Elephant In The Room** Now let's address the elephant in the room. You most likely doubt I earned 100 making memes, and that is okay. It is perfectly normal to be skeptical. If I were you, I would be suspicious too. I have proof that I earned 100 making memes. Just visit the following web address: <https://tinyurl.com/y972bmoo>. The elephant in the room has finally been addressed, and now it is time for you to take action.

**QUICK SUMMARY**

**STEP ONE: BUILD CREDIBILITY THROUGH CONTENT MARKETING**

**STEP TWO: EARN MORE THAN 100 BY STARTING A BUSINESS**

**STEP THREE: COLLECT YOUR REVENUE AND GET PAID**

**STEP FOUR: TAKE EVERYTHING YOU HAVE LEARNED AND TURN IT INTO A BOOK THAT YOU CAN SELF PUBLISH ON AMAZON.COM**

**ACT NOW** Do you or do you not want to know how to earn more than 100 making memes? Are you already experienced in creating funny memes regularly for free and would like to know how to earn money doing it? If you answered yes to these 2 questions above, then do yourself a huge favor and buy this inexpensive book. This book can be yours today for just 2.99. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Memes Today Latest On Sale books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Memes Today Latest On Sale books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Memes Today Latest On Sale books and manuals for download have

transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
