Understanding the Start Screen & the Ribbon

On the **Start Screen**, you can do anything you can do in any document. The Start Screen appears when starting Word or from a document. It is also used to open, share the "File" tab in the Ribbon or in the Backstage view and then switch "back" to "Open" from the Home tab ribbon options.

The **Ribbon** is displayed along the top of the application window and contains commands for creating content or editing the content. It is divided into tabs, and each tab contains a group of related commands. The Ribbon is divided into tabs, and each tab contains a group of related commands.
