**Merchant Vessels of the United States...** United States. Coast Guard, 1981    *U.S./Latin Trade*, 1995    History Has Made Us Friends Donald E. Abelson, Stephen Brooks, 2024-06-15 Separated by the world's longest land border and engaging in over three billion dollars in trade daily Canada and the United States share security concerns cultural interests and a history spanning more than 250 years Alan Rock former Canadian ambassador to the United States has said that this special relationship represents a bond that is beyond practical. It borders on mystical. The rise of nativist sentiment however has raised concerns over preserving this relationship. History Has Made Us Friends illuminates the nature and dynamics of Canada US relations examining their history attributed meaning and conceptualization. Contributors consider many angles and perspectives including the impact of geopolitical change to determine whether the relationship warrants the moniker special. They explore whether shared values and demographic similarities continue to cement the relationship and if it still matters whether presidents and prime ministers get along. While things look different today from when President Kennedy declared What unites us is far greater than what divides us. History Has Made Us Friends argues that the Canada US relationship often narrowly understood or dismissed as a relic of the past continues to be unique and resilient.    **Rodeo in America** Wayne S. Wooden, Gavin Ehringer, 1996 This work celebrates a great national pastime and tradition. **The First Decade of NAFTA: The Future of Free Trade in North America** Kevin Kennedy, 2021-10-25 This volume provides practitioners academics and students with the first definitive coverage of NAFTA investment arbitration. Given the level of foreign direct investment within the NAFTA countries the issue of redress for states in investment cases is a major one. The state dispute settlement mechanisms within NAFTAs Chapter Eleven are recognized as a model worthy of close examination. The experts and scholars who have contributed to this work present a comprehensive overview of the first ten years of practice in the area of investment disputes under the NAFTA provision. As in any nascent undertaking the successes failures and controversies that have been the experience of the state parties involved in NAFTA are keenly reflected in the Chapter 11 cases. It is in these experiences as described by in the chapters of this timely volume that the readers will find substantive and procedural insights into an emerging new area of public international economic law. Many see the workings of the NAFTA agreement particularly Chapter 11 as a Rorschach test for how state parties can approach and effectively adjudicate investment disputes. For this reason all practitioners and scholars concerned with international trade and foreign direct investment issues should consult
