## At Home and Out and About

If your child is learning phonics at school, you might want to support them at home by finding out what to do.

You might be the first to find out what phonics is the next time you're at school, but you need to be sure that you're supporting your child's learning. If you have any questions, ask your teacher or another member of staff for help.

If you are not sure what phonics means, here are some things you can do to help your child learn more about it:
