the Short of It To the Lonely Sea and the Sky Ellie The Last Bonneville **Crisis** Robin Cook,2006 Recorded Books Local 08 30 2006 89 95 *Library Journal* ,2001 **Charlatans** Robin Cook,2018-08-07 The explosive new thriller from New York Times bestselling author and master of the medical thriller Robin Cook Newly minted chief resident at Boston Memorial Hospital Noah Rothaus is swamped in his new position from managing the surgical schedules to dealing with the fallout from patient deaths Known for its medical advances the famed teaching hospital has fitted several ORs as hybrid operating rooms of the future an improvement that seems positive until an anesthesia error during a routine procedure results in the death of an otherwise healthy man Noah suspects Dr William Mason an egotistical world class surgeon of an error during the operation and of tampering with the patient's record afterward But Mason is quick to blame anesthesiologist Dr Ava London When more anesthesia related deaths start to occur Noah is forced to question all of the residents on his staff including Ava and he quickly realizes there's more to her than what he sees A social media junkie Ava has created multiple alternate personas for herself on the Internet With his own job and credibility now in jeopardy Noah must decide which doctor is at fault and who he can believe before any more lives are lost *Crossover Readers' Advisory* Jessica E. Moyer,2016-10-31 Help maximize your existing collection with this browsable volume containing titles that serve double duty with their appeal to both teens and adults and cover genres spanning crime novels romance horror science fiction and more An indispensable reference for libraries this book takes the guesswork out of crossover readers advisory by allowing you to easily guide teens who enjoy reading adult books and adults who enjoy reading teen stories Chapters written by genre experts will help you better understand each genre's appeal to teens and adults as well as list dozens of titles that lend themselves to both groups of readers The approach will help you maximize your collection while better serving your patrons The work is divided into two parts the first part covers adult books for teens while the second section delves into teen books for adults Chapters include a definition of the genre appealing features unique to the category the factors that make the works suitable for crossover a listing of relevant titles and annotations and trends on the horizon Genres covered include urban fantasy mainstream historical fiction graphic novels and nonfiction Genesis Robin Cook,2019-12-12 New York Times bestselling author Robin Cook takes on the ripped from the headlines topic of using DNA tracking to catch a killer in Genesis an unforgettable medical thriller When the body of social worker Kera Jacobsen shows up on Chief Medical Examiner Laurie Montgomery's autopsy table it appears at first that she was the victim of a tragic drug overdose But for Laurie and her new pathology resident the brilliant but outspoken Dr Aria Nichols further investigation reveals an alarming discovery The young woman was ten weeks pregnant when she died but nobody seems to know who the father was or whether he holds the key to Kera's final moments alive While Laurie faces a personal crisis with the support of her husband forensic pathologist Jack Stapleton the impulsive Aria investigates a controversial new technique to progress the case using DNA databases to track down those who don't want to be found Working with experts at a genealogy website based in New York she plans to trace

the foetus's DNA in the hopes of identifying the mystery father After Kera's closest friend is found murdered days later the need for answers becomes critical Because someone out there clearly doesn't want Kera's secrets to come to light and if Aria gets any closer to the truth she and Laurie face becoming targets for a ruthless killer Enjoy more medical mystery thrillers with *Contagion Vector* and *Pandemic* **Kliatt Young Adult Paperback Book Guide**, 2005 **Intervention** Robin Cook, 2011-03-18 *Intervention* is a ripped from the headlines medical thriller from the creator of the genre Robin Cook It's been more than thirty years since New York City medical examiner Jack Stapleton's college graduation and almost as long since he's been in touch with former classmates Shawn Doherty and Kevin Murray Once a highly regarded ophthalmologist Jack's career took a dramatic turn after a tragic accident that destroyed his family But that too is very much in the past Jack has remarried to long time colleague and fellow medical examiner Laurie Montgomery and is the father of a young child A post mortem on a young college student who had recently been treated by a chiropractor leads Jack to investigate alternative medicine What makes some people step outside the medical establishment to seek care from practitioners of Eastern philosophies and even faith healers Jack's classmate Shawn Doherty is now a renowned archaeologist and biblical scholar at the Metropolitan Museum of Modern Art He has recently obtained permission for a final dig beneath Saint Peter's in Rome despite a long standing grudge against the Catholic Church and has made a startling discovery with huge ecclesiastical and medical implications When Kevin Murray now Bishop of the Archdiocese of New York gets wind of Shawn's findings he's desperate to keep them from the public Kevin has strong political ambitions within the Church but his association with Shawn threatens to undermine them Kevin turns to his old friend Jack to help protect an explosive secret one with the power to change lives forever **Foreign Body** Robin Cook, 2009 In this chilling new novel from the master of the medical thriller The New York Times New York City medical examiners Laurie Montgomery and Jack Stapleton rush to India to help a UCLA student investigating medical tourism and a sinister global conspiracy Available in a tall Premium Edition **Media Review Digest** C. Edward Wall, 2004 [Seizure](#) Robin Cook, 2011-12-12 Long recognized as the master of medical thrillers in *Seizure* Robin Cook once again combines a fascinating scenario with cutting edge suspense and the bold strokes of everyday reality A seizure has to be one of the most frightening conditions known to the medical profession and ever since publication of *Coma* Dr Cook has been scaring us with his visionary insight into the most alarming possibilities of his own profession

Night Shift Robin Cook, 2022-12-08 In *Night Shift* an exhilarating medical mystery thriller by Robin Cook a doctor's murder will lure Jack and Laurie into the dark underbelly of their New York hospital Juggling intense work with family pressures Jack Stapleton and Laurie Montgomery are married doctors with hectic schedules The last thing they need on their plates is a murder When Laurie's long time friend Dr Sue Passero dies mysteriously in a hospital car park an autopsy is required It falls squarely under Laurie's remit as newly appointed chief medical examiner but when Laurie asks Jack to take special care with the examination he can hardly refuse As he looks more closely into the case Jack senses foul play around

Sue's sudden death. He sets out to investigate on site at Manhattan Memorial Hospital even if it means defying the rules. What starts as an inquiry soon becomes a deadly game of cat and mouse between Jack Stapleton and a deranged killer ready to strike again.

Mortal Fear Robin Cook, 2014-09-11 Robin Cook the man who invented medical techno horror takes you on a startling and chilling odyssey into the origins of life and death in *Mortal Fear*. When an eminent biomolecular geneticist dies violently before his eyes a doctor must use more than his medical knowledge to explain what he comes to believe is murder and to stop a scientific breakthrough from becoming a curse instead of a miracle. There was a lot that internist Jason Howard didn't know about Dr Alvin Hayes. But when the scientist met his sudden end it all came out with a vengeance for the academically respected geneticist had led a double life and the private side was damning. Dismissing official police reports linking Hayes's death to his associations with the sordid side of society Jason believes Hayes was silenced to keep him from revealing the results of his research and the secret lies not in the back streets of Boston's erotic underworld the Combat Zone but in the high tech genetics laboratories of the Good Health Plan clinic. Overcoming his own personal emotional problems Jason turns his powers of diagnosis to deduction vowing to solve the mystery no matter who tries to stop him. With this disturbing story DNA research is shown to have a fearful potential not only through possible mistakes and accidents but ironically even through success. Splendidly researched and intricately plotted *Mortal Fear* is Robin Cook at his prophetic and galvanizing best.
