

DESIDERATA

Go placidly amid the noise and the haste, and remember
what peace there may be in silence. As far as possible,
without surrender, be on good terms with all persons.

Speak your truth quietly and clearly; and listen to others,
even to the dull and the ignorant; they too have their story.

Avoid loud and aggressive persons; they are vibrations to the
spirit. If you compare yourself with others, you may become
vain or bitter, for always there will be greater and lesser
persons than yourself.

Enjoy your achievements as well as your plans. Keep
interested in your own career, however humble; it is a real
possession in the changing fortunes of time.

Exercise caution in your business affairs, for the world
is full of trickery. But let this not blind you to what
virtue there is; many persons strive for high ideals, and
everywhere life is full of heroism.

Be yourself. Especially do not feign affection. Neither
be cynical about love; for in the face of all aridity and
disenchantment, it is as perennial as the grass.

Take kindly the counsel of the years, gracefully
surrendering the things of youth.

Nurture strength of spirit to shield you in sudden
misfortune. But do not distress yourself with dark
imaginings. Many fears are born of fatigue and loneliness.

Beyond a wholesome discipline, be gentle with yourself.
You are a child of the universe no less than the trees and the
stars; you have a right to be here.

And whether or not it is clear to you, no doubt the universe
is unfolding as it should. Therefore be at peace with God,
whatever you conceive Him to be. And whatever your
hopes and aspirations, in the noisy confusion of life, keep
peace in your soul. With all its sham, drudgery and broken
dreams, it is still a beautiful world. Be cheerful. Strive to be
happy.
