

The book cover features a medieval manuscript illustration. In the upper left, a knight in a green tunic is mounted on a white horse, holding a bow. In the lower right, a hunter in a green tunic and red collar is running, holding a long staff or spear. A white dog is running alongside the hunter. The background is filled with dense, stylized foliage and a patterned border at the top and bottom. The title 'MEDIEVAL OUTLAWS' is written in large, bold, black capital letters on a green rectangular background. Below the title, the subtitle 'TEN TALES IN MODERN ENGLISH' is written in smaller, black capital letters. At the bottom, the editor's name 'EDITED BY THOMAS H. OHLGREN' is written in gold capital letters.

MEDIEVAL OUTLAWS

TEN TALES IN
MODERN ENGLISH

EDITED BY THOMAS H. OHLGREN

Medieval Outlaws Twelve Tales In Modern English Translation

Thomas H. Ohlgren, Lister M. Matheson

Medieval Outlaws Twelve Tales In Modern English Translation:

Medieval Outlaws Thomas H. Ohlgren, 2005 Description Billy the Kid Jesse James John Dillinger and Al Capone were all are criminals who robbed and killed yet they were considered good outlaws celebrated in sensational newspapers newsreels and dime novels of the day and later in film and television for their daring courage loyalty and even chivalry Our fascination with criminal heroes has a long history extending back to legendary accounts in medieval chronicle romance and ballad Although their names may not be familiar Earl Godwin Hereward Eustache the Monk Fouke Fitz Waryn An Bow Bender Gamelyn Owain Glyndwr William of Cloudesley and William Wallace these outlaws in addition to Robin Hood were all driven to lives of crime as victims of political intrigue or legal injustice They committed capital crimes punishable by death but paradoxically they were loved encouraged and supported by their communities This revised and expanded edition of Medieval Outlaws gathers twelve outlaw tales introduced and freshly translated into Modern English by a team of specialists including Timothy S Jones Michael Swanton Thomas E Kelly Mica Gould Stephen Knight Shaun F D Hughes Alexander L Kaufman Thomas H Ohlgren Thomas Hahn and Walter Scheps The tales range in date from the Norman Conquest to the sixteenth century Introductions precede each selection and notes identify all of the significant names places and historical events mentioned in the texts Accessible and entertaining these tales will be of interest to the general reader and student alike About the Editor Thomas H Ohlgren is Professor of English and Medieval Studies at Purdue University and is the author of numerous books and articles on medieval manuscripts and literature

Medieval Outlaws Thomas H. Ohlgren, 1998 Collection of ten outlaw tales translated into modern English ranging in date from the Norman conquest to the 16th century Introductions precede each tale and notes identify significant names places and historical events mentioned in the texts Suggested level senior secondary

The Hrafnista Sagas Ben Waggoner, 2012-06-01 The Norwegian island of Hrafnista was long remembered in medieval Iceland as the ancestral home of a family of powerful chieftains who were said to have faced and triumphed over dangers ranging from tyrant kings to storms and famines to giants dragons and sorcery Descendants of these Men of Hrafnista settled in Iceland and gave rise to prominent families who passed on tales of their ancestors for generations until they were written down For the first time the Old Norse sagas of the Men of Hrafnista the Saga of Ketil Salmon the Saga of Grim Shaggy Cheek the Saga of Arrow Odd and the Saga of An Bow Bender have been collected in one volume in English translation Enter the world of Viking legend and lore with these tales of high adventure

Robin Hood in Outlaw/ed Spaces Lesley Coote, Valerie B. Johnson, 2016-11-10 Following in the tradition of recent work by cultural geographers and historians of maps this collection examines the apparently familiar figure of Robin Hood as he can be located within spaces that are geographical cultural and temporal The volume is divided into two sections the first features an interrogation of the literary and other textually transmitted spaces to uncover the critical grounds in which the Robin Hood legend has traditionally operated The essays in Part Two take up issues related to performative and experiential

space demonstrating the reciprocal relationship between page stage and lived experience Throughout the volume the contributors contend with among other things modern theories of gender literary detective work and the ways in which the settings that once advanced court performances now include digital gaming and the enactment of real lives

The Facts on File Companion to British Poetry Before 1600 Michelle M. Sauer, 2008 Some of the most important authors in British poetry left their mark on literature before 1600 including Geoffrey Chaucer Edmund Spenser and of course William Shakespeare The Facts On File Companion to British Poetry before 1600 is an encyclopedic guide to British poetry from the beginnings to the year 1600 featuring approximately 600 entries ranging in length from 300 to 2 500 words

Vikings, Knights, Elves, and Ogres Eric R. Carlson, Dorsey Armstrong, Arielle C. McKee, 2025-03-31 In his nearly half a century in the English Department of Purdue University Shaun Hughes has had an incalculable impact on his students and colleagues and this volume acknowledges the debt that generations of scholars in medieval studies owe to him It highlights Dr Hughes's decades of research in a variety of fields Old English language and literature Middle English language and literature Old Norse language and literature and Tolkien

Robin Hood Thomas H. Ohlgren, Lister M. Matheson, 2007 While references to Robin Hood began to appear as early as the thirteenth century in legal records the earliest surviving poems did not appear in manuscripts and early printed books until the fifteenth and sixteenth centuries Several fourteenth century allusions in the works of William Langland and Geoffrey Chaucer suggest that the rymes of Robyn Hood were widely circulating by the 1370s but it is vital to note none of these late fourteenth century works survives A better approach Thomas H. Ohlgren argues is to focus on what has actually survived rather than on what might have existed As a result the poems Robin Hood and the Monk and Robin Hood and the Potter which survive in two different Cambridge manuscripts of the last third of the fifteenth century and A Lytell Geste of Robyn Hode which was printed at least seven times in the sixteenth century must receive pride of place in the canon because they have a physical reality as material artifacts in short they exist and provide valuable information about the places and times of their composition and dissemination

Robin Hood and the Outlaw/ed Literary Canon Lesley Coote, Alexander L. Kaufman, 2018-08-06 This cutting edge volume demonstrates both the literary quality and the socio-economic importance of works on the matter of the Greenwood over a long chronological period These include drama texts prose literature and novels among them children's literature and poetry Whilst some of these are anonymous others are by acknowledged canonical writers such as William Shakespeare Ben Jonson and John Keats The editors and the contributors argue that it is vitally important to include Robin Hood texts in the canon of English literary works because of the high quality of many of these texts and because of their significance in the development of English literature

Studies in Medieval and Renaissance Teaching, 2008

Outlaws and Spies Conor McCarthy, 2020-03-18 Conor McCarthy shows how outlaw literature and espionage literature critique the use of legal exclusion as a means of supporting state power Texts discussed range from the medieval Robin Hood ballads Shakespeare's history plays and the Ned Kelly story to John le Carr
