*Medusa's Stony Stare* Jessica Gunderson,2012 Medusa once a bewitching beauty has become a hideous monster with snakes for hair When men look at her they turn to stone When King Polydectes sends Perseus for Medusa s head he thinks Perseus will soon be another one of Medusa s stone men Or will he **Greek Myths** CAPSTONE PR INC,Cari (RTL) Meister,Jessica (RTL) Gunderson,2011-07-01 Looking for action packed stories with exciting twists of fate and unforgettable characters Look no further than Greek mythology Classic retellings pair with bold dramatic art to draw readers into the ancient world **Medusa** Kathleen Tracy,2011-08 One of Greek mythology s most notorious monsters Medusa was so horrible that looking at her turned people to stone But she wasn t always hideous Medusa was born the beautiful daughter of two gods A victim of Poseidon s whim she incurred the wrath of the goddess Athena who punished her by turning her into a monster Then Athena doomed her to die at the hands of the hero Perseus Even though Medusa is a minor character in the Greek stories she has captured people s imaginations for thousands of years On the surface her story is a cautionary tale about the dangers of vanity and pride Looking closer the story reveals intriguing glimpses into ancient Greek culture and the role women played in society **Medusa** Rob M. Worley,2008-01-01 Beauty isn t everything as Medusa learns Find out how the goddess Athena teaches this lesson in this brilliantly illustrated Greek myth Pink level for your fluent reader **Medusa** Samantha Bell,2021-12-15 Medusa was a snake headed monster in Greek mythology Medusa explores this creature s backstory and how her use in artwork has changed over time Easy to read text vivid images and helpful back matter give readers a clear look at this subject Features include a table of contents infographics a glossary additional resources and an index Aligned to Common Core Standards and correlated to state standards Kids Core is an imprint of Abdo Publishing a division of ABDO **Perseus** Paul D. Storrie,2017-01-01 Could a monster whose very look turns men to stone be a challenge too perilous even for the son of Zeus King Polydectes has designs on Perseus mother Dana But first the king must get rid of young Perseus once and for all So Polydectes hatches a plan to trick the young hero into performing an impossible task slay the snake haired Gorgon monster Medusa whose very look turns men to stone Yet as the son of Zeus king of the gods Perseus has many powerful allies Will Perseus strength and courage and the favor of the gods allow him to do the impossible **The Curse of Medusa** Jessica Gunderson,2024 Life isn t easy when you re cursed with a headful of snakes for hair Medusa knows that better than anyone But she didn t start out in such a state What happened Who s to blame And who s the real hero Find out in this modern action packed graphic retelling of a classic Greek myth **Medusa** Nick Saunders,2006-10-01 In ancient Greece a young man is sent to kill the most hideous creature on Earth No one has been able to get close to this monster Medusa Her cave is littered with the bodies of men she has turned to stone taken from cover **Perseus and Medusa** Lynne Weiss,2013-12-15 When an oracle told Acrisius the king of Argos that his grandson Perseus would one day kill him Acrisius forced his daughter Danae and her baby Perseus out of his kingdom Acrisius did not know just how special

his grandson was though Nor did he think of the fact that no human being can change his destiny or thwart fate Perseus overcomes seemingly insurmountable obstacles including slaying snake haired Medusa to earn his place among the Greek heroes *Medusa "Through the Eyes of the Gorgon"* Skevi Philippou, 2018-01-03 The author takes us on a journey of discovery as the protagonist discovers that she possesses the astonishing gift of sight but also an abundance of compassion and love for humanity that is unmatched by any God The author in her adoring portrayal so eloquently and intimately engages with and unravels the infamous Grecian Myth of the great and powerful Medusa This myth denied Medusa her voice forever condemning her fragmented monstrous form whereas this wonderful story celebrates and gives Medusa back what she had lost for centuries However evil has many faces as Medusa unveils the horrid guises of the righteous and guides us through the difference between truth and verisimilitude Condemned to live a half life in the shadows her deadly stare forbids any hope of any human contact she is made to be the repulsive monster that everyone fears they too could become But her story does not end there She rewrites history as this so called monster holds a mirror up defiantly to the gods and to us

**Medusa and Pegasus** Amy Hayes, 2015-07-15 Medusa and Pegasus have a unique place in Greek mythology and tradition Their stories have been passed down from generation to generation This book explores the stories that created them discusses their importance throughout history and examines their significance today **Perseus and Medusa** Nicholas J. Saunders, 2006-12 In ancient Greece young Perseus is sent to kill the evil beauty Medusa He must fulfill his mission without looking at her Greek myth told in comic book format *Perseus and Medusa* Blake A. Hoena, 2014-07-01 In this graphic retelling of the Greek myth young Perseus is ordered to slay Medusa a monster whose gaze turns men into solid stone *Medusa* David Leeming, 2013-06-01 With her repulsive face and head full of living venomous snakes Medusa is petrifying quite literally since looking directly at her turned people to stone Ever since Perseus cut off her head and presented it to Athena she has been a woman of many forms a dangerous female monster that had to be destroyed an erotic power that could annihilate men and thanks to Freud a woman whose hair was a nest of terrifying penises that signaled castration She has been immortalized by artists from Leonardo da Vinci to Salvador Dal and was the emblem of the Jacobins after the French Revolution Today she s viewed by feminists as a noble victim of patriarchy and used by Versace in the designer s logo for men s underwear haute couture and exotic dinnerware She even gives her name to a sushi roll on a Disney resort menu Why does Medusa continue to have this power to transfix us David Leeming seeks to answer this question in *Medusa* a biography of the mythical creature Searching for the origins of Medusa s myth in cultures that predate ancient Greece Leeming explores how and why the mythical figure of the gorgon has become one of the most important and enduring ideas in human history From an oil painting by Caravaggio to Clash of the Titans and Dungeons and Dragons he delves into the many depictions of Medusa ultimately revealing that her story is a cultural dream that continues to change and develop with each new era Asking what the evolution of the Medusa myth discloses about our culture and ourselves this

book paints an illuminating portrait of a woman who has never ceased to enthrall Medusa the Gorgon who turns those who gaze upon her to stone is one of the most popular and enduring figures of Greek mythology Long after many other figures from Greek myth have been forgotten she continues to live in popular culture In this fascinating study of the legend of Medusa Stephen R Wilk begins by refamiliarizing readers with the story through ancient authors and classical artwork then looks at the interpretations that have been given of the meaning of the myth through the years A new and original interpretation of the myth is offered based upon astronomical phenomena The use of the gorgoneion the Face of the Gorgon on shields and on roofing tiles is examined in light of parallels from around the world and a unique interpretation of the reality behind the gorgoneion is suggested Finally the history of the Gorgon since classical times is explored culminating in the modern use of Medusa as a symbol of Female Rage and Female Creativity [Perseus](#) Paul D. Storrie,2009-01-01 King Polydectes wishes to marry Perseus's mother Danae and devises a plan for getting rid of Perseus The king sets Perseus the impossible task of slaying the snake haired Medusa whose gaze turns men to stone In graphic novel format [Perseus and Medusa](#) Nick Saunders,2007 Originally published Turnbridge Wells Kent Ticktock Media 2006 *The Adventures of Perseus* Mark Weakland,2019-05-01 If you asked Perseus if looks could kill he would give you a definite yes Discover how Perseus with help from the gods avoided the stony glare of the hideous gorgon Medusa and became a hero Follow Perseus exciting adventure in graphic novel format [Medusa](#) Xavier Niz,2005 Tells the story of Medusa Perseus quests to kill her and describes the role of myths in the modern world [Little Myths Medusa](#) Emma Adams,2025-05-27 Dive into Greek mythology and learn how Medusa became the snake haired monster she is in this exciting new picture book in the Little Myths series Most people know Medusa for the halo of snakes that sit on her head and her ability to turn anyone who looks at her into stone But once upon a time Medusa was just a little girl Sure she was a powerful gorgon but in lots of other ways she was just like you She fought with her sisters but all she really wanted was friendship love and to feel like she fit in But she grew up people were mean to her and she grew angry vengeful and ultimately dangerous This is her story A humorous and informative biography of the famous snake haired monster from Greek mythology Medusa's origin story comes to life for little myth lovers in vibrant illustrations and comic like panels perfect for young and emerging readers
