Meeting Wisdom Douglas Lovos:

The Meeting of Wisdom Douglas Lovos,2015-12-27 In this beautiful story *The Meeting of Wisdom* you will find two boys that were raised in two different backgrounds One is raised in poverty and the other one is raised in richness But in the path that they encounter themselves both of them are being asked to make the right decision in order to live They are both in a situation of life and death At this moment it doesn't matter if one is rich or the other one is poor What matters is what wisdom they use to survive This story will touch your heart and soul At the same time it will make you ask yourselves these two questions on what path am I walking on and what would I have to do to survive This story is based on the Christian faith You will be able to relate this story to people of all ages It will bring you to the moments of time in which we encounter someone of faith in our path of life where he or she will ask us if we would like to accept Jesus Christ as our lord and savior and invite us to the church At that moment in our life we have to make a decision that will determine our spiritual life We must choose a path to walk on either we except Jesus or move on with our life *The Meeting of Wisdom* Douglas Lovos,2015-12-23

Love and Wisdom Douglas H Melloy,2020-03-31 Love is proof of the existence of God It is the relationship between God and all that is It is the existence of infinity existing as all that is Wisdom is the application of truth in ways that are kind and conducive When one is loving and wise he or she will always be appropriate in what is felt thought and applied to all else The measure of a man or woman is the contribution he or she makes to his or her fellows without any expectations Love and Wisdom Are the Art of Appropriateness Douglas H. Melloy,2003-06 Love and Wisdom are the personal relationships we entertain here with God and universe Both are shared states of being and knowing God is being and universe is knowing that we then share with each other Within the development of self are those qualities we can resolve leading us to feeling loved and thinking wisely giving us the ability to act appropriately and conducive to each other and this planet This is the path and purpose life affords each of us here and now Given there is only this now right here Right here gives us our knowing and right now gives us our being Simply what we feel now and what we think here giving us the ability to act as we do The approach used to get here now is bonding nurturance encouragement development discipline adept ship and mastery of those ideals we aspire to through our faith desire and intention This is knowing the self serving others and collective ascension This book explains in detail how bonding nurturance encouragement etc work in the development of self and what mastery encompasses This leads to service polarity that becomes collective ascension
