Mekong First Light An Infantry Platoon Leader In Vietnam:

Mekong First Light Joseph W. Callaway, Jr., 2007-12-18 Before we got to Vietnam the troops all thought you would be the first lieutenant killed and in the end you were the only one left We were all wrong You were the best Sgt Lonnie Tallman Caldwell December 1966 Platoon leader Lt Joseph Callaway had just turned twenty three when he arrived in Vietnam to lead forty two untested men into battle against some of the toughest most experienced and best trained guerrilla soldiers in the world Callaway soon learned that most events in this savage jungle war were beyond his control But there was one thing he could do well take the best damn care of his troops he knew how In the Viet Cong infested provinces around the Mekong Delta where the platoon was assigned the enemy was always ready to attack at the first sign of weakness And when the jungle suddenly erupted in the chaos of battle the platoon leader was the Cong's first target Mekong First Light is at times horrific heartrending and heroic but is always brutally honest Callaway's account chronicles a soldier's painful realization of the true nature of America's war in Vietnam It was a war that could not be won [The Hill Fights](#) Edward F.

Murphy, 2007-12-18 While the seventy seven day siege of Khe Sanh in early 1968 remains one of the most highly publicized clashes of the Vietnam War scant attention has been paid to the first battle of Khe Sanh also known as the Hill Fights Although this harrowing combat in the spring of 1967 provided a grisly preview of the carnage to come at Khe Sanh few are aware of the significance of the battles or even their existence For more than thirty years virtually the only people who knew about the Hill Fights were the Marines who fought them Now for the first time the full story has been pieced together by acclaimed Vietnam War historian Edward F Murphy whose definitive analysis admirably fills this significant gap in Vietnam War literature Based on first hand interviews and documentary research Murphy's deeply informed narrative history is the only complete account of the battles their origins and their aftermath The Marines at the isolated Khe Sanh Combat Base were tasked with monitoring the strategically vital Ho Chi Minh trail as it wound through the jungles in nearby Laos Dominated by high hills on all sides the combat base had to be screened on foot by the Marine infantrymen while crack battle hardened NVA units roamed at will through the high grass and set up elaborate defenses on steep sun baked overlooks Murphy traces the bitter account of the U S Marines at Khe Sanh from the outset in 1966 revealing misguided decisions and strategies from above and capturing the chain of hill battles in stark detail But the Marines themselves supply the real grist of the story it is their recollections that vividly re create the atmosphere of desperation bravery and relentless horror that characterized their combat Often outnumbered and outgunned by a hidden enemy and with buddies lying dead or wounded beside them these brave young Americans fought on The story of the Marines at Khe Sanh in early 1967 is a microcosm of the Corps's entire Vietnam War and goes a long way toward explaining why their casualties in Vietnam exceeded on a Marine in combat basis even the tremendous losses the Leathernecks sustained during their ferocious Pacific island battles of World War II The Hill Fights is a damning indictment of those responsible for the lives of these heroic Marines Ultimately the high

command failed them their tactics failed them and their rifles failed them Only the Marines themselves did not fail Under fire trapped in a hell of sudden death meted out by unseen enemies they fought impossible odds with awesome courage and uncommon valor Congressional Record United States. Congress,1967 *Enter and Die!* James W. Milliken,2009-06-15
Enter and Die is a true war story about Jim Milliken and the Third Platoon Delta Company Second Sixtieth of the Ninth Infantry Division and their service in Vietnam It is an accurate account of the historical facts and the time frame in which it occurred The first person soldier s narration captivates the reader by becoming emotionally involved with the members of the Third Platoon The author describes his feelings and thought processes when he is shot kills the enemy and witnesses the death and wounding of enemy soldiers and comrades The book is characterized by one memorable event after another of graphic violence unusual experiences and comical episodes People will wonder how Milliken survived the war after the many near death situations revealed in the book Readers comments range from Wow Wow Easy to read The book flows well Extremely emotional I began to cry The detail and present tense make one feel he is experiencing the events to Gripping You bared your soul The honesty of the writer is apparent throughout the book The Journal of the Armed Forces ,1966
