Mel Bay Wedding Music For Solo Cello:

100 Gospel Songs and Hymns for Cello and Guitar Craig Duncan, 2018-05-11 100 Gospel Songs and Hymns for Cello and Guitar is a comprehensive collection of all time favorite gospel hymns arranged for cello solo with suggested written chordal accompaniment Fingerstyle guitar and strum styles are indicated on each solo Other chordal instrumentalists can also use the written material and accompany the cello soloist These treasured songs are ideal for any worship service or gathering

The Student Cellist: Bach Craig Duncan, 2016-03-09 This collection includes both didactic compositions of J S Bach as well as easy arrangements of several of his most popular works the book begins with easier arrangements and progresses in its level of difficulty All pieces are played in first position Most of the piano parts double the cello to aid in performance Titles include Bouree I from French Overture and other favorites

Cello Position Handbook, Volume 1 Halley Feaster, 2022-02-03 New cello students nearly always start in first position aided by finger tapes or guides for accurate finger placement As they advance they are expected to learn to shift out of first position but the focus is on the movement of the shift rather than on note locations or pitch accuracy In this book author and versatile cellist Halley Feaster introduces a step by step approach to understanding each position leading to thorough comprehension of the cello fingerboard and a more confident and well rounded player Together with its engaging video component Cello Position Handbook shows advanced beginners and intermediate students what notes are available in each of 12 positions Short exercises and excerpts are provided for practice in each location ultimately enabling fluid performance without excessive shifting On completion of this volume students will be familiar with what notes are available in each position and be able to move comfortably between them while expanding their repertoires Includes access to online video
