The Life of Friedrich Nietzsche 2 and The Gospel of Superman 3 respectively that were it not for the fact that the truth about this matter cannot be repeated too often I should have refrained altogether from including any fresh remarks of my own in this Third Edition The statement in question was to the effect that many long years before these pamphlets were even projected Nietzsche's apparent volte face in regard to his hero Wagner had been not only foreshadowed but actually stated in plain words in two works written during his friendship with Wagner the works referred to being The Birth of Tragedy 1872 and Wagner in Bayreuth 1875 of which Houston Stuart Chamberlain declares not only that it possesses undying classical worth but that a perusal of it is indispensable to all who wish to follow the question of Wagner to its roots Nevertheless for fear lest some doubt should still linger in certain minds concerning this point and with the view of adding interest to these essays the Editor considered it advisable in the Second Edition to add a number of extracts from Nietzsche's diary of the year 1878 ten years before The Case of Wagner and Nietzsche contra Wagner were written in order to show to what extent those learned critics who complain of Nietzsche's morbid and uncontrollable recantations and revulsions of feeling have overlooked even the plain facts of the case when forming their all too hasty conclusions An altogether special interest now attaches to these pamphlets for in the first place we are at last in possession of Wagner's own account of his development his art his aspirations and his struggles in the amazing self revelation entitled My Life 5 and secondly we now have Ecce Homo Nietzsche's autobiography in which we learn for the first time from Nietzsche's own pen to what extent his history was that of a double devotion to Wagner on the one hand and to his own life task the Transvaluation of all Values on the other

**Boschwitz on Wellhausen** Paul Michael Kurtz, 2024-11-19 Julius Wellhausen was a monumental figure in the field of biblical studies but his work has been denounced as antisemitic in recent years This book offers a nuanced view of Wellhausen's scholarship through a critical edition and translation of one of the last doctoral dissertations by a Jew in Nazi Germany Friedemann Philipp Boschwitz's Julius Wellhausen Motives and Measures of His Historiography Boschwitz presents a deep holistic analysis of Wellhausen's thought examining his work on ancient Judaism early Christianity and formative Islam within the framework of comparative religion and cultural history He also situates Wellhausen in the context of German intellectual history tracing the influence of

Johann Gottfried Herder on Wellhausen and Wellhausen on Friedrich Nietzsche In addition Paul Michael Kurtz provides incisive commentary and archival materials that highlight Boschwitz's scholarly achievements and open new vistas onto Jewish intellectual history Piecing together fragments from private letters and official documents Kurtz shows the formidable challenges Boschwitz faced as a Jewish scholar under a discriminatory political and academic regime The correspondence also reveals Boschwitz's rich social life and connections with major migr thinkers such as Salo Baron Leo Strauss and Karl L with Boschwitz on Wellhausen brings together a fascinating wealth of published and unpublished material to tell an original story of great importance to scholars of the Hebrew Bible the New Testament and the Quran as well as those interested in German Judaism and modern philosophy Nietzsche Walter A. Kaufmann, 2013-10-06 This classic is the benchmark against which all modern books about Nietzsche are measured When Walter Kaufmann wrote it in the immediate aftermath of World War II most scholars outside Germany viewed Nietzsche as part madman part proto Nazi and almost wholly unphilosophical Kaufmann rehabilitated Nietzsche nearly single handedly presenting his works as one of the great achievements of Western philosophy Responding to the powerful myths and countermyths that had sprung up around Nietzsche Kaufmann offered a patient evenhanded account of his life and works and of the uses and abuses to which subsequent generations had put his ideas Without ignoring or downplaying the ugliness of many of Nietzsche's proclamations he set them in the context of his work as a whole and of the counterexamples yielded by a responsible reading of his books More positively he presented Nietzsche's ideas about power as one of the great accomplishments of modern philosophy arguing that his conception of the will to power was not a crude apology for ruthless self assertion but must be linked to Nietzsche's equally profound ideas about sublimation He also presented Nietzsche as a pioneer of modern psychology and argued that a key to understanding his overall philosophy is to see it as a reaction against Christianity Many scholars in the past half century have taken issue with some of Kaufmann's interpretations but the book ranks as one of the most influential accounts ever written of any major Western thinker Featuring a new foreword by Alexander Nehamas this Princeton Classics edition of Nietzsche introduces a new generation of readers to one the most influential accounts ever written of any major Western thinker **The Case of Wagner** Friedrich Wilhelm Nietzsche, 2015-07-02 Excerpt from The Case of Wagner Nietzsche Contra Wagner the Twilight of the Idols the Antichrist Where Wagner belongs to from Beyond Good and Evil Sec tions 254 and 256 Wagner as the Apostle of Chastity From Beyond Good and Evi Section 256 Wagner as the Apostle of Chastity 2 And from A Genealogy of Morals Essay Third Sections 2 and 3 How I got free from Wagner from Human all too human Vol II Preface Sections 3 and 4 The Pyschologist speaks from Beyond Good and Evil Sections 269 and 270 Epilogue from Joyful Science Preface Sections 3 and 4 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged

*The Case of Wagner, Nietzsche Contra Wagner and Selected Aphorisms* Friedrich Wilhelm Nietzsche, Nietzsche wrote the rough draft of *The Case of Wagner* in Turin during the month of May 1888 he completed it in Sils Maria towards the end of June of the same year and it was published in the following autumn *Nietzsche contra Wagner* was written about the middle of December 1888 but although it was printed and corrected before the New Year it was not published until long afterwards owing to Nietzsche's complete breakdown in the first days of 1889 In reading these two essays we are apt to be deceived by their virulent and forcible tone into believing that the whole matter is a mere cover for hidden fire a mere blind of sthetic discussion concealing a deep and implacable personal feud which demands and will have vengeance In spite of all that has been said to the contrary many people still hold this view of the two little works before us and as the actual facts are not accessible to every one and rumours are more easily believed than verified the error of supposing that these pamphlets were dictated by personal animosity and even by Nietzsche's envy of Wagner in his glory seems to be a pretty common one Another very general error is to suppose that the point at issue here is not one concerning music at all but concerning religion It is taken for granted that the aspirations the particular quality the influence and the method of an art like music are matters quite distinct from the values and the conditions prevailing in the culture with which it is in harmony and that however many Christian elements may be discovered in Wagnerian texts Nietzsche had no right to raise sthetic objections because he happened to entertain the extraordinary view that these Christian elements had also found their way into Wagnerian music To both of these views there is but one reply they are absolutely false In the *Ecce Homo* Nietzsche's autobiography a book which from cover to cover and line for line is sincerity itself we learn what Wagner actually meant to Nietzsche On pages 41 44 84 122 129 and if he used the name of David Strauss without bitterness or spite for he did not even know the man when he wished to personify Culture Philistinism so in the same spirit did he use the name of Wagner when he wished to personify the general decadence of modern ideas values aspirations and Art
