Nightfall Two Of The Chronicles Of Arden:

Nightfall Shiriluna Nott, SaJa H., 2015-05-02 Gibben Nemesio thought his life was over the day he received a conscription notice demanding he train to be a soldier. When he left his home for Silver City he never expected he'd thwart a terrible plot to murder the King and become an overnight hero and he definitely hadn't expected to find love in the form of a handsome mage trainee named Joel. Three years later Gib has fought his way from lowborn farmer to hold the coveted position as understudy to the seneschal. Despite heightening tensions between the King and High Council and the rumors of impending war still terrorizing the people of Arden, Gib finds solace in the company of his wise mentor, loyal friends, and beloved companion. But with the arrival of an ominous message from a powerful enemy in the north, Gib quickly realizes peace is fleeting in a world where chaos lurks in every shadow and treacherous forces from both outside the country and within threaten to destroy everything he holds dear. In *Nightfall*, the second chapter of the epic fantasy series *The Chronicles of Arden*, the adventure continues.

Daughter of Independence: The Chronicles of Kydan 3 Simon Brown, 2012-05-01 A first class trilogy *The Chronicles of Kydan* has all the traditional fantasy ingredients expertly mixed with new ideas. Garth Nix, author of *The Abhorsen Trilogy*, In the new land everyone works together to bring Kydan the wealth and strength it needs to survive the inevitable confrontation with the old world. Strategos Galys Valera believes the key to defeating the Hamilayan Empire is buried in the papers left behind by her dead lover Kitayra Albyn, but can it be found in time? Across the Deepening Sea, Empress Lerena Kevleren is forging her power base made from human sacrifice and her overwhelming control of the Sefid, the source of all magic, before turning her gaze on Kydan. This final confrontation between old and new magic and freedom and between empire and a growing nation state will determine the fate of millions, not least the brave band of colonists who set out from Hamilay to settle Kydan with courage and hope in their hearts.

Path of the Swan: The Maitreya Chronicles Part 1 Charu Singh, 2014-04-15 A moment of intense silence followed and then the Rigden spoke up, his voice even. You have all been called today before the sacred court and from now in every breath, in every heartbeat, in the shadow of every moment, in the intensity of the thoughtless state in life and in not life, in physical or subtle form, we declare you our emissaries, our sacred envoys to the world of men. Shambala has a task for you. Lama Ozer and his novitiate Tashi leave the hidden monastery where they have lived all their lives in answer to a call from the legendary kingdom of Shambala, received by the lama while deep in trance. Battling the freezing cold and snow of high mist-laden mountain passes and the many evil forces that thwart their progress, they trek through Sikkim and Tibet to arrive at the Silver Fortress. Here they meet a host of divine and dark celestial beings, including the golden dakini Yeshe Nam Lha, daughter of the Goddess Tara. Prince A Karo, heir to the Lha Empire, and Prince Narasimha, heir to the Rigdens and the Shambala legacy. Both the princes are Yeshe's guardians and suitors, and she must travel with them to Earth where it is decreed that her child, Maitreya, the saviour will be born. But before that happens, they have the Asur forces to combat and the dark prince Arden, who holds Yeshe captive.
