Paypal Update:

Pro PayPal E-Commerce Damon Williams, 2007-04-30 *Pro PayPal E Commerce* contains the most comprehensive collection of information on PayPal technologies. It takes the approach of PayPal as a digital money platform and shows how its a dynamic service that offers far more than just payment processing. With its breadth of technologies and APIs the PayPal platform is a basis for development and innovation for an unlimited number of possibilities. It offers a wide range of payment technologies but its not always easy to decipher which technology is the best choice for a web site. This book gets under the hood to show you how the different technologies work, how to choose the right solution and how to implement the solution complete with real world PayPal success stories. Youll learn how to integrate PayPal directly into web sites to make use of its payment technologies. This allows you no matter what language you program in to build shopping carts or similar channel products with PayPal as a payment option. You can also use this book to learn about the basics of e commerce where PayPal fits in and how you can meet your own e commerce needs. This book covers: How PayPal works, Using the PayPal API, Website Payments Standard, Website Payments Pro, Instant Payment Notification, Payment Data Transfer, Encrypted Website Payments, Administration, Reporting, Fraud protection, Payflow Gateway.

[Managing E-commerce in Business](#) J. Botha, C. H. Bothma, Pieter Geldenhuys, 2008-02-27

Information and Communication Technology ICT is becoming indispensable in the spheres of business, government, education and entertainment. It makes Internet marketing, e government, e learning and online chat services possible. And its commercial aspect, e commerce, is part of this trend. Today no business training is complete without the inclusion of at least the basics of e commerce. But although e commerce has opened up new opportunities, it also presents threats and risks. The success of e commerce hinges on security and trust. Every business manager should therefore have a fundamental awareness of the meaning of e commerce and ICT security and risk management. This second edition provides guidelines for overcoming these challenges by exploring the ways in which entrepreneurs and managers should co operate.
