

The background of the book cover is a detailed, colorful illustration of various microorganisms. In the upper left, there's a complex, multi-layered structure resembling a cell or tissue. Below it, a green, elongated structure with small circular features is visible. The lower half of the cover is dominated by several large, spherical viruses or bacteria with distinct surface patterns and colors (red, purple, green, and yellow). A vertical, textured, light-colored band runs down the center-left of the cover.
