

OTHELLO READING GUIDE AND ACTIVITIES

1. **Setting:** The play is set in Cyprus, a small island in the Mediterranean Sea. Cyprus was a British colony at the time the play was written. The setting is important because it provides a backdrop for the characters' interactions and the development of the plot. The island is a remote location, which allows the characters to be more open and honest with each other. The setting also provides a sense of isolation, which is reflected in the characters' relationships and the overall atmosphere of the play.

2. **Plot:** The plot of Othello is centered around the relationship between Othello and Desdemona. Othello is a Moorish general who is in love with Desdemona, a white woman. Desdemona's father, Brabantio, is a Venetian senator who is opposed to the relationship. Othello's best friend, Iago, is jealous of Othello and Desdemona's relationship. Iago uses his influence and manipulates the other characters to further his own goals. The plot involves several twists and turns, including the discovery of Desdemona's infidelity and the final tragic outcome.

3. **Character Analysis:** Othello is a complex character who is both admirable and flawed. He is a skilled general and a devoted husband, but he is also naive and easily manipulated. Desdemona is a strong-willed and intelligent woman who is deeply in love with Othello. Iago is a master of manipulation and deceit, using his knowledge of human nature to achieve his goals. Roderigo is a young man who is infatuated with Desdemona and is willing to do anything to win her over. Emilia is Desdemona's maid and a loyal friend to her. Brabantio is a stern and traditional father who is opposed to the interracial relationship.

4. **Themes:** The play explores several themes, including the nature of love, the power of manipulation, and the consequences of jealousy. The theme of love is central to the plot, as it is the driving force behind the characters' actions. The theme of manipulation is also prominent, as Iago uses his skills to manipulate the other characters. The theme of jealousy is a key element of the plot, as it drives Othello's actions and leads to the tragic outcome.

5. **Style:** Othello is a tragedy written in blank verse, which is a form of unrhymed iambic pentameter. The language is rich and poetic, with many metaphors and similes. The play also features several soliloquies and asides, which provide insight into the characters' thoughts and motivations. The style of the play is dramatic and powerful, with a focus on the emotional intensity of the characters' relationships.
