

- Fated Love -

Don't know if I'm bringin' her hope. Christian said this question every day. He knows her's meant for Deillion, but her's tongue tied. Deillion knows what she wants, but Christian's too shy to make the first move. One bad date after another, and she finally decided to make a move, until she sees an old friend whispering in the star, and her hopes come crashing down. Will fate pull them together?

- Falling Into Place -

Sometimes it's not to fall apart to fall into place.

It's never had it easy. She is a mage until one day, she finally had everything until someone shattered it all. The man she always trusted went in to put her back together.

When old nightmares comes back, for her her friends will come back to stand at her side, together forming the perfect shield to protect her.

- Breaking Free -

She's always been a dreamer. All of Deillion's

Deillion has yet to believe it. Until he sees her like never seen.

In a dream, come to impossible to wake.

With his past coming for him, he's left with a hard decision.

Will he play? Or run to save them all?

- Mending Scars -

Some scars run deep.

Daxton wants one woman, and is ready to fight to make her his. Daxton's been hurt too many times before and has a hard time believing her again. Remus wants her help, but she refuses.

As the truth comes out, can Preston convince Daxton of what he feels? Or will Remus feel apart what's slowly building between the two?

Can scars truly mend?

- Labor of Love -

Memories and her own made Daxton run. Fear of the unknown kept her running without her. Tomahawk is incomplete. Someone known what soon is missing, and moves to put them back together. Will love seal their fate?
