Outrageous Women, Outrageous God Ross Saunders,2017

Outrageous Women, Outrageous God Ross Saunders,2010

When you stop to consider that all the authors of the New Testament books were men who were part of the constraints which society and religion placed on women you can't help being amazed at the extent to which women gained prominence in early Christianity. In describing these women and their actions Ross Saunders has used the word **outrageous** to emphasize just how far some of them stepped outside what was traditionally allowed them. That God would at times encourage such behaviour means that to some extent God is the origin of this **outrageousness**

**How Jesus Broke the Rules to Set You Free** Sharon Jaynes,2015-10-01

Popular speaker teacher and author Sharon Jaynes offers fresh understanding to the meaningful encounters women in the Bible had with Jesus. She spends time with Jesus' mother, the woman at the well, Mary Magdalene, and others, and she brings to life their experiences with the forgiveness, healing, and compassion of Jesus. As you explore with Sharon how God interacted with these women, you'll uncover exciting and wonderful encounters, and you'll see that He has great dreams for you today. He continues to transform women from insignificant to highly esteemed, disgraced to full of grace, guilty to forgiven. You will discover God's heart and hope for you as He lovingly exchanges your heartache, hopelessness, or shame for the beauty of wholeness.

**Before You Were Born, I Anointed You** Anna Beresford,2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful, authoritative, argumentative, and almost always male. This impression cannot be sustained. In a logical and engaging way, Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God's prophetic word with disturbing clarity. Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition, Beresford proceeds to uncover a surprising host of hidden female prophets. Among this cast we meet the widow whose last penny is consumed by organized religion, the gatecrasher who teaches a pious Pharisee stern lessons in hospitality, a woman who has the last word in a theological debate, a woman used to trap Jesus, proclaims truth to power, and a feisty foreign lady cleverly proves that God's love is for all of us, regardless of gender or ethnicity. This book is a compelling reminder that God speaks to all people, women and men, and calls on us to share the message whether it is convenient or not. 2 Tim 4:2 NET      **Women**

**Rising** Meghan Tschanz,2021-05-11 Meghan Tschanz was radically changed after witnessing the violence and oppression experienced by women around the globe. She also became keenly aware of how her own Christian culture was often complicit in the problem. As you read Meghan's transformative story, you'll be inspired to amplify your voice, confront injustice, and discover a biblical standard for gender equality.      **Extravagant Grace - MM for MIM** Patsy Clairmont, Barbara Johnson, Marilyn Meberg, Luci Swindoll, Sheila Walsh, Thelma Wells,2003-05 Women of Faith points you to the bedrock of joy.
