English Language Arts, Grade 10 Module 2 PCG Education, 2015-12-14 Paths to College and Career Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Reading and Writing Strategies for the Secondary Mathematics Classroom in a PLC at Work®

Daniel M. Argentar, Katherine A. N. Gillies, Rubenstein Maureen M., Brian R. Wise, 2024-09-10 Students need literacy support to think, read, and write in every subject, including math. Part of the Every Teacher Is a Literacy Teacher series, this book emphasizes the importance that the PLC at Work process has in supporting learners who struggle with literacy. Grades 6-12 teachers will strengthen reading capabilities with practical reading and writing strategies specifically designed for mathematics instruction. This book will help secondary math teachers learn how to incorporate writing instruction into mathematics curriculum and why it's important. Collaborate with their colleagues using end-of-chapter prompts that encourage PLC cooperation. Implement immediate intervention strategies for struggling students to shorten learning gaps. Strategize their mathematics instruction to effectively address both struggling students and those at proficient levels. Implement formative and summative assessments and look at feedback. The Corvette in Literature and Culture Jerry W. Passon, 2011-11-08 As the original American sports car the Chevrolet Corvette has come to represent power freedom and sexuality for more than half a century Yet it also hints at personal identity and style suggesting how effectively values and meaning are communicated through an object Using various critical perspectives this close analysis of this highly recognizable automobile finds diverse aspects of American culture revealed Topics covered include the Corvette in literature its ties to masculine identity including homosexuality as well as female sexuality and the Corvette as artistic object among others

At the Intersection of Hermeneutics and Homiletics Yung Suk Kim, 2025-04-18 While hermeneutics involves comprehensive study of the biblical text whether through historical or literary or reader focused approaches homiletics is concerned with a selected theme message and on the composition and delivery of sermonic discourse aimed at a particular audience But the border between hermeneutics and homiletics is blurry because both disciplines require readers to engage the biblical text from their own contexts This collection deals with the intersection of hermeneutics and homiletics by exploring two revelatory texts one from the Hebrew Bible and the other from the New Testament the book of Ruth and Matthew 15 21 28 a Canaanite woman's encounter with Jesus Both reflect agonizing issues that readers must tackle immigration family community identity agency race ethnicity gender class culture economy and religion A diverse group of scholars brings their transgressive perspectives to the above texts Unfolding new areas of interest inquiry and insight they will transgress authoritative readings of biblical texts fashion hermeneutic horizons in dialogue with the text and forge homiletic trajectories toward contemporary audiences Without limiting interpretation to a box this volume looks to register bold voices to perennial issues in our day Homiletic transformation occurs through the relentless resistant reading of the text and through reimagining our world
