Michael Jackson Shawn Henning,2010-06

Shawn Henning's new book is a powerful and overwhelming tribute and legacy to Michael Jackson. In one book he's collected love letters, reflections, eulogies, poems, essays, and drawings from people throughout the world who have a special appreciation for the King of Pop. Michael Jackson I was particularly impressed at the diversity of material from so many different countries and cultures – all of it heartfelt and illuminating. In "We Love You More" we learn about the many different ways that Michael Jackson affected people from all walks of life. The participants talk about how Michael's music, creativity, and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michael's huge talent. They will not only comfort those who have written them but those who read them. People will learn about the experiences they have in common with people throughout the world who followed Michael's career, his music, his good deeds, and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book, from eulogies to memories to poems and beautiful drawings and paintings, and even photo montages. At the end, Mr. Henning, you've done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer

Remember the Time Bill Whitfield, Javon Beard, Tanner Colby, 2014-06-02 Michael Jackson's former bodyguards reveal the amazing truths of the late superstar's last years, his life with his children, his financial crises, and the weeks leading up to his shocking death. Hounded by the tabloid media, Michael Jackson spent his final years moving from city to city, living with his three children in virtual seclusion, a futile attempt to escape a world that wouldn't leave him alone. During that time, two men served as the singer's personal security team: Bill Whitfield, a former cop and veteran of the security profession, and Javon Beard, a brash, untested rookie, both single fathers themselves. Stationed at his side nearly 24/7, their job was to see and hear everything that transpired, making them the only two people who know what 60 million fans around the world still want to know: what really happened to the King of Pop? Driven by a desire to show who Michael Jackson truly was, Whitfield and Beard have produced the definitive account of Michael Jackson's last years, the extreme measures necessary to protect Jackson and his family, the simple moments of happiness in a time of great stress, the special relationship Jackson shared with his fans, and the tragic events that culminated in the singer's ill-fated comeback. This is an indispensable piece of pop culture history. "Remember the Time" is the story of a man struggling to live a normal life under extraordinary circumstances. It is the book that dismantles the tabloid myths once and for all to give Michael Jackson back his humanity.
