We created our gifted and talented workbooks and practice tests because as a tutoring company we could not find enough good practice material to effectively prepare our students for gifted and talented exams. As tutors and teachers we have used the various test prep books and we have found them to either have an incorrect difficulty level too easy or to be very expensive. After studying original materials from test creators and testing them on children we believe our materials and tests adequately prepare students to do their very best on the NNAT test.
