have undergone a similar loss to feel less alone less isolated and less stigmatized We hope to give a voice to all who have suffered a similar loss and to show that there are situations in which abortion is the most moral option Although the focus of the book is to provide support to those who will make or have made a similar decision we don t cast judgment on those who choose abortion for other reasons or those who choose to carry a pregnancy to term despite a poor prenatal diagnosis We support all parents in choosing the path that is best for them We support ALL choices
