**EBOOK: Principles and Practices of Marketing 10/e** JOBBER AND ELLI,2023-02-21 EBOOK Principles and Practices of Marketing 10 e *A Qualitative Approach to Translation Studies* Elisa Calvo,Elena de la Cova,2023-12-22 This collection invites readers to explore innovative or underexploited ways of working qualitatively with what in Translation Studies may be termed as elusive constructs The volume adopts a functionalist approach to focus on one such concept namely the notion of translation problem using case studies to illustrate how a significant elusive construct can be addressed empirically It explores different qualitative research methodologies which although well established in other fields are yet to be extensively used in TS but which may nevertheless prove to be of significance for future studies as they allow elusive concepts typically found in TS to be worked with more coherently Chapters are structured around two core ideas first the qualitative systematic analysis of source text content with emphasis on the detection of translation problems as a means of creating efficient frameworks for coherent decision making from a functional perspective and secondly the practical process of stereotyping and profiling specific problems within different contexts content types or services to help identify manage and resolve them in a number of settings from research to professional translator training and assessment environments This book will be of interest to scholars in translation studies particularly those with an interest in qualitative approaches

**Disruptive Leadership** Rich Kao,2025-09-09 Companies worldwide are striving to transform their industries through innovative products and services Becoming a disruptive organization however is easier said than done Even more difficult is being a company that continually disrupts Is it possible to discern a code for how companies can achieve this In this highly readable and engaging book a disruptive leadership framework is proposed in which caring deeply is placed at the center of the model Apple is used as the leading example By turning care into a focal point a triphasic model is proposed that moves from the personal sphere individual to the corporate arena organizational and then to the global stage impact Nine key factors are identified along this path for how companies can achieve organizational excellence This second edition updates all the facts data and history around Apple since the first edition and calls out how its revolution of care continues to not only validate its success but astound with its seemingly unfettered upside Its ability to disrupt seems to have no limits thus challenging business leaders present and future to incorporate the DNA of care as they build and scale businesses In addition to the previously profiled companies such as Nike IKEA 3M and Starbucks new case studies including Uniqlo Alibaba On Running 7 Eleven and Costco are presented to supplement Apple s story Features A new organizational model is given for interpreting Apple s success Nine principles of organizational excellence are discerned from this new model Promotes caring deeply as a focal point for approaching disruptive leadership New corporate profiles include Uniqlo Alibaba On Running 7 Eleven and Costco Application questions and assignments are included for each chapter making it an ideal training tool for leadership development and personal application
