*Teens Guide to College & Career Planning* Peterson's, 2008-03-11 Handbook for high school students offering advice on college planning and career exploration **Second Class No Longer** Phillip L. Beukema, 2023-10-19 No one could have predicted thirty years ago that online learning would become such a key facet of our educational landscape in nearly every corner of the world Online teaching and learning have evolved rapidly and far more widely than imaginable accompanied by huge impacts on business society and our entire educational enterprise Drawing on his extensive experience in online teaching at both the graduate and undergraduate level as well as his 25 years in higher ed administration the author paints a global picture of the evolution of online education He describes how one country after another has witnessed the astonishing growth of online degrees and microcredentials of all kinds Along the way he dispels the myths and misperceptions that have grown up around online learning With incisive analysis built on solid data the author demonstrates that online programs are no longer regarded as second class but in fact are fully in the mainstream of higher education Not only that but he predicts that by 2030 they will become the gold standard by which the more traditional degrees will be judged **The Lawyer Bubble** Steven J Harper, 2016-03-08 A noble profession is facing its defining moment From law schools to the prestigious firms that represent the pinnacle of a legal career a crisis is unfolding News headlines tell part of the story the growing oversupply of new lawyers widespread career dissatisfaction and spectacular implosions of pre eminent law firms Yet eager hordes of bright young people continue to step over each other as they seek jobs with high rates of depression life consuming hours and little assurance of financial stability The Great Recession has only worsened these trends but correction is possible and now imperative In The Lawyer Bubble Steven J Harper reveals how a culture of short term thinking has blinded some of the nation's finest minds to the long run implications of their actions Law school deans have ceded independent judgment to

flawed U S News World Report rankings criteria in the quest to maximize immediate results Senior partners in the nation s large law firms have focused on current profits to enhance American Lawyer rankings and individual wealth at great cost to their institutions Yet wiser decisions being honest about the legal job market revisiting the financial incentives currently driving bad behavior eliminating the billable hour model and more can take the profession to a better place A devastating indictment of the greed shortsightedness and dishonesty that now permeate the legal profession this insider account is essential reading for anyone who wants to know how things went so wrong and how the profession can right itself once again
