*Red Light Dark Road* Allen DeKeyser, 2025-07-07 *Red Lights Dark Roads* is a raw and gripping true story that takes you into the heart of trauma, survival, and unshakable resilience. After surviving multiple life-threatening encounters, being shot in the face by police, targeted in road rage shootings, and enduring betrayal and silence from loved ones, Allen DeKeyser shares his journey through darkness, PTSD, and pain. But this is more than just a memoir; it's a call to be seen, to be heard, to be believed. With every red light comes a choice: freeze in fear or fight for your life. Through powerful storytelling, emotional honesty, and spiritual grounding, Allen reveals what it means to keep driving through the dark when healing seems impossible and hope feels far away. For anyone who's ever been let down by the system, lost in the shadows of trauma, or desperate to find peace after chaos, *Red Lights Dark Roads* will speak straight to your soul.

*The Rise and Fall (and Rise?) of a Man* Brian Sanborn, 2021-02-15 This book is the story of a boy growing up to be a man and the events that led him to make the career choice he did. It is an account of the challenges he faced, his successes, and some of the devastating losses he suffered along the way. The book contains a description of how, after a memorable thirty-two year career, the man threw away his legacy, his reputation, and his community by making a series of bad choices. These pages contain an account of the ramifications of these choices, ramifications that still exist years later. Finally, this script describes this man's struggle against these ramifications and his attempts to rebuild a devastated life. Some major life topics within the context of this story that are discussed give food for thought. Why some relationships, even those that occur at a young age, can lead to life-altering decisions. How the growth that comes through experience and a consistent positive work ethic can convert a subpar worker into a master craftsman. How personal loss not resolved can result in devastating consequences years later. How our world's reliance on credit scores and background checks makes it nearly impossible for a person to rise up again after a transgression. The fairness of the tendency of today's world to completely

judge a person based on the single worst event in their life The Rise and Fall and Rise of a Man is a worthy read for those who want to be entertained for those who wish to examine some major topics inherent in each person's life and for those who wish to examine the direction in which society is currently headed Is there room in our society for the idea of a second chance
