

# Mindfulness Meditation Near Me

- Mindfulness meditation has taken root and blossomed with wonderful speed. throughout this short period of time, it's evolved from being embraced by a very little contingent within the counter-culture community into its present status as a really hot item among medicine, psychology, education, and lots of different thought venues.
- Interestingly, this development is extremely much in keeping with a prediction created by the eminent historian, arnold toynbee. He wrote that "of all the historical changes within the West, the foremost important and the one whose effects are least understood is the meeting of Buddhism within the Occident."
