His temporary leadership is immediately tested by a brutal murder in the Presidio, an investigation that initially indicates a vampire attack but quickly hints at a far more sinister, preternatural threat. When Dr. Fallon Doyle asks Scanguards for protection from her obsessive ex-boyfriend, Patrick is hesitant to take her case but after a terrifying attack on Fallon, he realizes her stalker is far more menacing than he appears. As Patrick races against the clock to solve the gruesome murder and shield Fallon from the escalating danger, an undeniable attraction sparks between them. But the stakes are higher than either could have imagined: Fallon is in grave peril, a danger far beyond any initial prediction. Can they unearth the truth and fight the encroaching darkness, or will their chance at a future together be extinguished before it even begins?
