Paleo A Beginners Guide Contemporary Cavemans Footpath To Radiant Health:

Paleo Amy Felon, 2014-05-11 Are you intrigued by the Paleo Diet but unsure that a regular person like yourself could succeed on it If so this book is for you Written by a two year Paleo veteran Contemporary Caveman s Pathway to Radiant Health is an extremely practical down to earth how to manual The book nails down topics like What if I can t afford to buy all organic food and Is it ever okay for me to cheat The author shed 25 pounds and abolished low blood sugar issues on a very modest budget a budget that did not permit the I eat organic everything lifestyle It shouldn t be just the wealthy who enjoy good health Read Contemporary Caveman s Pathway to Radiant Health and find out how the rest of us can savor a Paleo Diet triumph

The Modern Caveman Carl Bamlet, 2016-07-26 This book is aimed at helping you get healthier by educating you on the paleo lifestyle and alternative medicine By understanding the reasoning for these treatments you understand how to naturally help your body while minimizing pharmaceutical drugs when possible We are in a world where the pharmaceutical industry food companies government television and media are trying to sell you a narrative about the way the world is This narrative is true only if you allow it to be For thousands of years before our modern era we were very healthy because of a natural wholefood diet a bounty of exercise and fresh air and minimal pollution Our deaths were quick and a result of violence in most cases Now we eat processed garbage foods exercise minimally are overwhelmed with pollution of every variety and our deaths are long slow painful and full of misery for years What can we do to prevent this misery at the end of life There is hope you do have control Our health isn t predetermined by our DNA Our lifestyle will affect our health and strongly determine how we live our final years In this book I explain Why modern medicine is great at emergencies Why we need both modern medicine and natural medicine for our health How modern healthcare is actually causing our health crisis Why the paleo diet is ideal for our bodies Why natural medicines like chiropractic and acupuncture are beneficial for health I also give you a sample paleo diet as well as easy recipes to start you on your journey Are you ready to finally get and stay healthy

Modern Caveman Brett L. Markham, 2014-04-29 From the bestselling author of the Mini Farming series and a ten year practitioner of the paleo diet comes Modern Caveman a comprehensive health and fitness guide to everything paleo Nature spent millions of years forging genetic code so that you could be strong fit and healthy throughout your life Yet when we look around we see an epidemic of obesity auto immune diseases young people with diabetes and people succumbing to heart disease in early middle age Why Though nature versus nurture has long been at the heart of debates concerning psychology and sociology it is only in the past few years that idea of conforming our diet and exercise to our genome has gained traction And it is precisely this idea that holds the key to unlocking your potential to be happier healthier and more fit than most can imagine is possible Why didn t our Paleolithic forebears suffer from tooth decay at all yet dentists offices must now be ubiquitous in our society Why is it that middle aged men who are gobbling whole grains by the bushel and eating tofu to banish meat from their diets are still requiring expensive life time statin drug prescriptions to control their cholesterol The
