

A woman with dark skin and curly hair is sitting in a small boat on a calm, turquoise-colored body of water. She is wearing a black tank top and dark pants. Her head is tilted back, and she is laughing or shouting with her mouth open. The background shows a clear blue sky and a distant sailboat on the horizon.

Best Practices for Administering Online Programs Daniel Hillman, Robert Schudy, Anatoly Temkin, 2020-10-19 Best Practices for Administering Online Programs is a practical volume for university teams seeking to manage effective online programs. Defining, designing, implementing, and updating online courses is a highly collaborative effort, particularly with limited resources and expanding student enrollment. This book unites the efforts of program directors, supervisors, department chairs, participating faculty, instructional designers, IT specialists, and support staff toward a common goal: affordable, accessible, and scalable online learning. Readers will find guidelines for fostering quality faculty skills, academic integrity, learning objectives, course improvement, and more.

The Rise of Over-the-Top (OTT) Media and Implications for Media Consumption and Production Kalorth, Nithin, 2024-01-24 The rapid increase in popularity of major streaming services is having a massive impact on more traditional media outlets. Over the Top OTT Media is the term given to these types of services which bypass the traditional media sources through an internet connection. How will OTT media force traditional forms of media to adjust and adapt in order to remain relevant? The Rise of Over the Top OTT Media and Implications for Media Consumption and Production is a timely edited volume that delves into the transformative emergence of Over the Top OTT media which is reshaping the landscape of media consumption and production. The book traces the historical roots of OTT media, establishing a contextual understanding of its rapid rise and impact on the industry. Analyzing the complex web of business models and revenue streams in the OTT industry, the publication sheds light on the competitive dynamics, the entry of new players, and the subsequent effects on traditional media companies. It offers a fresh perspective, recognizing OTT media as a distinct and transformative medium different from conventional film and television studies. Navigating the myriad aspects of OTT media, the book examines market trends and dynamics, showcasing the intricate technological infrastructure of OTT services, encompassing platforms, devices, and delivery methods. Engaging with contemporary issues, the book investigates the intersections of OTT media with news, entertainment, advertising, marketing, and the global south, fostering a holistic understanding of its far-reaching impact. As an essential reference for scholars, researchers, and media professionals, this book not only helps unravel the complexities of this rapidly evolving medium but also equips its readers with valuable insights to navigate the dynamic digital media landscape.
