Slow Down to Heal and Truly Live Patricia McNamara,2024-11-19 After several years working in the holistic health field author Patricia McNamara discovered a crucial missing piece to the healing puzzle As a nutritional therapy practitioner she witnessed firsthand the devastating impact of the fast paced world and cultural expectations on health which were amplified by her own personal health challenges Through these experiences God revealed that to fully heal and truly live up to our God given potential we must slow down and embrace the Bible backed practices shared in Slow Down to Heal and Truly Live McNamara draws inspiration from Jesus who demonstrated the importance of stepping away from constant demands to rest pray and reconnect with God While his purpose was unique Jesus example speaks to women today who often face intense pressures to balance work family and personal life amidst societal expectations to have and be it all These pressures can lead to burnout and illness underscoring the need to slow down and prioritize well being This devotional combines Biblical insight with twenty one lifestyle practices designed to nurture your mind body and spirit helping you prevent burnout and foster long term health With practical tips reflection prompts and action steps you ll be motivated to make meaningful changes You ll feel better enjoy life more and be better equipped to serve the Lord and fulfill your purpose

Woodworking and Whittling for Kids, Teens and Parents : A Beginner's Guide with 51 DIY Projects for Digital

Detox and Family Bonding Stephen Fleming,2020-12-21 The emotional effect of woodworking is that it gives kids that sense of accomplishment Parents see a happy kid beaming with excitement of possibilities A woodworking teacher Three years back I asked one child psychologist What is the best way to make a connection with my 8 and 13 year olds as they are growing up I was worried about excessive exposure to T V Mobile Phones and wanted to do some activity together to be much of an enabler and guide He said Why don t you try Woodworking in your backyard That would serve all your purposes That was one of the best pieces of advice I got off late We hit it off and started with whittling woodworking with just a wooden stick and a pocket knife After that we moved on to woodworking with multiple tools The kids only used more straightforward tools and I handled the complicated part Safety was of utmost priority and I always led with example This book entails our journey with 31 Whittling and 20 Woodworking projects It covers Woodworking and Whittling definitions background history Why kids and teenagers should practice it or how they would inculcate various skills while practicing this art which would help them in an extremely dynamic world they would face Best practices and safety instructions Tools with details of ways to use them Processes and Techniques 51 Starter Projects Tips Guidelines and Online Resources A perfect company for a weekend or holiday Get this comprehensive 2 in 1 book with Woodworking and Whittling covered for a kid and parent both

Shame the Devil Wayne J. Guglielmo,2023-04-15 When the press loses sight of truth and falls prey to bias

American press critics push back to safeguard our free and democratic nation Journalists are no strangers to criticism and some have even seen disagreements turn to outrage and acts of violence There is another history of press criticism though This one as a rule doesn t resort to physical threat or denunciation Nevertheless it can be merciless when critics think the press has become too slanted in one direction has fallen short of some ideal is too concentrated for its own good or seems to be underreporting or ignoring some critical story of the day Shame the Devil is a sweeping look at this other history Beginning with Walter Lippmann rightly regarded as the first modern press critic Shame the Devil provides a chapter by chapter profile and analysis of his successors Many critics work within the profession of journalism while some consider it from the outside These include George Seldes A J Liebling Ben Bagdikian Reed Irvine Neil Postman and Noam Chomsky A concluding chapter brings together a diverse group of contemporary critics including Sharyl Attkisson Brooke Gladstone Eric Deggans Amy Goodman Janine Jackson and Candace Owens Merging history biography and a candid analysis of various critical points of view Shame the Devil moves from press commentary in the bitter aftermath of World War I to the head spinning paradoxes of the post truth era Throughout some of America s best critics contend with both the big events of their day and the big issues of journalism to ask the always vital question How can the press help to create and sustain a more democratic society

Fire Power J.M. Joseph,2022-08-04 The final book in the snortingly funny Booktrust Fire Boy series It s not easy being an accidental superhero Aidan aka Fire Boy and the circus are in trouble once again Aidan s nemesis the billionaire Clayton Jones is spreading fake news throughout the world painting Aidan as the bad guy With circus fans dwindling and the world turning against them Aidan knows it s once again up to him to save the day But to do see he ll have to reveal the truth about Clayton Jones and it looks like Clayton might have some special powers of his own After the hilarity of Fire Boy and Pants on Fire Fire Power is the perfect conclusion to the laugh out loud trilogy about unexpected superpowers magical sweets friendship and a cat named Lemon for fans of My Brother is a Superhero and The Parent Agency

Studying Political Communication and Media in East Asia Florian Schneider,2025-10-01 Communication is at the heart of politics and certainly in East Asia where vibrant media systems and cultural industries connect with political processes that range from the democratic to autocratic If we are to understand East Asian societies and 21st century politics more broadly we need to take media and communication seriously This textbook provides a flexible toolbox of methods and theories for studying political communication Taking its examples and exercises from Japan Korea and the Chinese speaking world it walks readers through core issues media contents and communicative modes Readers will learn how to systematically analyse the politics of media environments written and spoken words images and visual designs moving image space and spatial interactions video games and more The chapters can be used individually or optionally as a playful gamified course that offers learners a first hand experience of how complex information societies incentivise behaviour

Media Literacy in Action Renee Hobbs,2024-10-14 There s never been a more important time for students to develop media

literacy competencies When students ask critical questions about the media they consume they develop fundamental knowledge and critical thinking skills that prepare them for life work and meaningful citizenship Media Literacy in Action addresses learners who are simultaneously active as both creators and consumers of media messages At the same time the book recognizes that everyone is vulnerable to media influence because of our dependence on the instant gratification and feelings of connectedness that digital platforms provide To thrive in a media saturated society people need to ask critical questions about what we watch see listen to read and use This book gives students those tools Key features of the second edition Critical examination of AI technologies algorithmic personalization data privacy and surveillance and the increased global regulation of digital platforms Attention to media literacy for empowerment and protectionInquiry oriented approach to learning that cultivates intellectual curiosity and creative expressionFull color presentation with figures and photos to increase student engagement Each chapter includes Media Literacy Trailblazers Profiles of key thinkers and their theories connect students with the discipline of media literacyMedia Literacy DISCourse NEW Visual representations of media literacy theoretical principles help learners internalize the practice of asking critical questions as they respond to specific media examplesLearning in Action NEW Summary and vocabulary sections combine with Analyze Create Reflect and Act activities to empower students to apply ideas from each chapter Supplemental Materials available at www.mlaction.com Students can review key ideas learn about more Media Literacy Trailblazers and watch videos aligned with each chapterInstructors can access a Teacher s Guide of best practices in class activities homework and projects Also available are chapter summaries lecture slides YouTube playlists and test materials **Managing Information** ,2004 **Drum** ,2003
