## **On Being A Servant Of God:**

On Being a Servant of God Warren W. Wiersbe, 2007-06-01 Sometimes people lose sight of the core of their ministry. They feel overwhelmed by the needs that surround them on a daily basis. Wise and beloved pastor Warren Wiersbe invites ministry leaders to listen in on thirty short armchair chats to encourage and strengthen them for service. He shares what he wishes he had known about ministering to others when he began his own Christian pilgrimage. Ministry, he says, takes place when divine resources meet human needs through loving channels to the glory of God. With this new edition of a classic book which includes a foreword by Jim Cymbala, the next generation of ministry leaders can take advantage of Wiersbe's years of wisdom.

**ON BEING A SERVANT OF GOD.** WARREN. WIERSBE, 2025      *Being a Servant for the Kingdom of God* Sean

Begle, 2013-11 As Christians we are called to serve; we are called to be servants of the Kingdom of God and servants for the Kingdom of God. This is our job and our responsibility; this is our Christian Calling. We must do what God has called us to do and be who God has called us to be. We need to reach the unreached; we need to tell people who God really and truly is, what God really and truly can do in their life, and what Jesus did for them on the cross. We should want people to get saved; we should want people to be changed; we should want people to make a difference in their life. In being a Christian, we must walk the walk, talk the talk, and live the life that way people can see God in us, see Jesus in us, that they will want to make a turn around and turn to Jesus Christ.

### **The Complete Works of Zacharias Taneë Fomum on Leadership (Volume 3)**

Zacharias Taneë Fomum, *The Complete Works of Zacharias Taneë Fomum on Leadership Volume 3* contains the following books: *Revolutionary Thoughts on Leadership Volume 1: The Character and Personality of the Leader*, *Basic Christian Leadership: The Overcomer as a Servant of Man*, *Making Spiritual Progress Volume 1*. This volume undertakes a study of the leadership substance and style of Joshua and other servant leaders in the Scriptures, laced with live examples from the author and several other leaders in the kingdom. *Revolutionary Thoughts on Leadership* is a string of revolutionary perspectives on leadership that will provoke you, confront you, discipline you, rebuke you, correct you, stir you, and spur you on to aspire, desire, and require victorious and triumphant leadership. Servant leadership is the central focus of this volume. Jesus, our superb and supreme Model, was an embodiment of servant leadership. A servant leader leads by not lording it over his followership. When a leader dedicates himself to serve his people, they will eventually be his servants forever. The old men told Rehoboam, "If today you will be a servant to these people and serve them, and give them a favourable answer, they will always be your servants." 1 Kings 12:7. Everyone who will succeed as a leader must appropriate these words. Christian leadership hinges heavily on character. The man with an abundance of divine love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control, endurance, and perseverance will definitely attract an increasing following in a foul and perverse world. We send this third volume on leadership out with a cry to the Lord that He should use it to build many into leaders of His people, capable of leading them into the totality of God's purposes in this generation and beyond.
