*Literary World* ,1902      *The Western Christian Advocate* ,1907      **Palestinian Walks** Raja Shehadeh, 2008-06-03 A rare historical insight into the tragic changes taking place in Palestine Jimmy Carter From one of Palestine's leading writers a lyrical elegiac account of one man's wanderings through the landscape he loves once pristine now forever changed by settlements and walls updated with a new afterword by the author I often come to walk in these hills I said to the man who was doing all the talking and seemed to be the commander In fact I was once here with my wife it was 1999 and some of your soldiers shot at us It was over on that side the soldier pointed out I was there he said smiling When Raja Shehadeh first started hill walking in Palestine in the late 1970s he was not aware that he was traveling through a vanishing landscape In recent years his hikes have become less than bucolic and sometimes downright dangerous That is because his home is Ramallah on the Palestinian West Bank and the landscape he traverses is now the site of a tense standoff between his fellow Palestinians and settlers newly arrived from Israel In this original and evocative book we accompany Raja on six walks taken between 1978 and 2006 The earlier forays are peaceful affairs allowing our guide to meditate at length on the character of his native land a terrain of olive trees on terraced hillsides luxuriant valleys carved by sacred springs carpets of wild iris and hyacinth and ancient monasteries built more than a thousand years ago Shehadeh's love for this magical place saturates his renderings of its history and topography But latterly as seemingly endless concrete is poured to build settlements and their surrounding walls he finds the old trails are now impassable and the countryside he once traversed freely has become contested ground He is harassed by Israeli border patrols watches in terror as a young hiking companion picks up an unexploded missile and even on one occasion when accompanied by his wife comes under prolonged gunfire Amid the many and varied tragedies of the Middle East the loss of a simple pleasure such as the ability to roam the countryside at will may seem a minor matter But in *Palestinian Walks* Raja Shehadeh's elegy for his lost footpaths becomes a heartbreaking metaphor for the deprivations of an entire people estranged from their land      The Prairie Farmer ,1951      *Palestinian*

*Walks* Raja Shehadeh, 2010-07-09 Over two decades of turmoil and change in the Middle East steered via the history soaked landscape of Palestine This new edition includes a previously unpublished epigraph in the form of a walk When Raja Shehadeh first started hill walking in Palestine in the late 1970s he was not aware that he was travelling through a vanishing landscape These hills would have seemed familiar to Christ until the day concrete was poured over the flora and irreversible changes were brought about by those who claim a superior love of the land Six walks span a period of twenty six years in the hills around Ramallah in the Jerusalem wilderness and through the ravines by the Dead Sea Each walk takes place at a different stage of Palestinian history since 1982 the first in the empty pristine hills and the last amongst the settlements and the wall The reader senses the changing political atmosphere as well as the physical transformation of the landscape By recording how the land felt and looked before these calamities Raja Shehadeh attempts to preserve at least in words the Palestinian natural treasures that many Palestinians will never know
