Sleeping Dogs: The Awakening John Wayne Falbey, 2012-06-15 Before its collapse the USSR created an apparatus of moles and agents and used them to infiltrate and gain control of unions academia entertainment and the news media By succeeding to the USSR s efforts a group of international financiers the Alliance for Global Unity or AGU gained control of one of America s two political parties Their goal is to destroy the West principally America and create a one world government in which they control all things financial They now control Congress and the White House with the Supreme Court basically divided AGU s handpicked president is up for reelection but he has become dazzled by his own rock star status and no longer follows orders The control group determines that he must be assassinated so a new more compliant candidate can be elected The killing is to take place as the president delivers a Labor Day speech on the steps of the Capitol Building but it must look as if the opposition party has done it In keeping with today s polarized environment a group of patriots from the military intelligence and industrial communities the Society of Adam Smith or SAS has formed in opposition to AGU Two decades earlier its leaders were part of a government team that trained a group of unique individuals code named the Sleeping Dogs to become

the deadliest hunter killer black ops team ever They were used on the most clandestine missions to neutralize America s most dangerous enemies In an effort to stop AGU s assassination plans SAS has reunited the Dogs Not only must the Dogs survive treachery and plot twists to foil the assassination attempt they also must cripple AGU by bringing down the billionaire arbitrageur who distributes funds in support of their sinister plans **Angels, Let's Talk** Orlando Constantine,2007-10 The anointing received is the deciding factor of the truth on this subject which is unparalleled in content as being current biblical and to the point Why are you angels here where are you coming from and do you give a damn where you are going This book intend to bring a resolution to these questions and if eternal damnation is obvious redemption is also plausible as one extremity has a equal opposite except in the case of God Come now and let us reason together saith the LORD though your sins be as scarlet they shall be as white as snow though they be red like crimson they shall be as wool Isaiah 1 18
