Vs Digital Detox 2025:

Business Drivers in Promoting Digital Detoxification Grima, Simon, Chaudhary, Shilpa, Sood, Kiran, Kumar, Sanjeev, 2024-01-10 The rapid progression of the digital age has brought both benefits and drawbacks. While the convenience of constant connectivity and digital devices is undeniable, the increasing screen time poses health and well-being challenges. With a significant portion of the global population now regularly using the internet, concerns about issues like digital addiction, shorter attention spans, and lifestyle diseases have become urgent matters. Addressing these challenges and charting a sustainable path forward is imperative. **Business Drivers in Promoting Digital Detoxification** delves into contemporary initiatives across various industries that advocate for digital detox. This book showcases opportunities within this transformative trend, spanning from health and tourism to unexpected sectors. It not only highlights the necessity of digital detox for health but also reveals its potential as a gateway to innovative business ventures. Catering to academics, researchers, students, and professionals, this book serves as a guiding beacon in the complexities of the digital era. It not only clarifies the motivations behind the digital detox movement but also explores its implications. More than just insights, this book offers a roadmap to shape a healthier and sustainable future in our digitally connected world. Engage in this pivotal conversation, explore its pages, and gain the knowledge to drive meaningful change for yourself, your organization, and society as a whole.

What Does It Profit a Man?: For Those Who Seemed to Win, But Still Felt Lost - A Faith-Based Reflection on True Fulfillment Niel Elvira, Have you ever felt that quiet emptiness even when you have it all? You've reached the top. You've followed the script. You've gained what the world said would fulfill you. And yet when the applause fades, you're left with a hollow ache. No success can fill it. You lie awake at night, wondering if anyone truly sees the weight you carry. You give your best to everyone and everything, and still a restless whisper lingers inside. Is this all there is? **What Does It Profit a Man** is written for you. For the leader who feels the pressure of expectations pressing on your shoulders. For the caregiver who gives until there's nothing left to give and wonders if your sacrifices even matter. For the high achiever whose victories feel lonely, whose smiles hide the quiet despair of never feeling enough. For the one who chases fulfillment like it's just over the horizon, only to find it always moves further away. This is a soul-stirring exploration of what it really means to be fulfilled. With a blend of real-life stories, reflective research, and Christ-centered devotionals, Niel Elvira meets you in your exhaustion and your longing, and gently uncovers the hidden grief behind outward triumph, inviting you into a deeper, truer kind of wholeness. Each chapter unfolds in three layers: Story, Intimate portraits of successful figures who reached the heights but found themselves restless and searching; Reflective Insight, Honest research-informed reflections on the psychological and spiritual costs of performance, visibility, and disconnection in our modern age; and Devotional, A quiet return to the One who offers peace the world cannot give and identity the world cannot take. This is not a book of answers. It's a companion for your quiet, restless nights, your exhausted mornings, and those moments when you wonder if anyone sees the real you. It speaks to the

ache you carry alone naming it honoring it and offering it to the One who can fill it Whether you're weary from the chase or quietly grieving a life that should be enough this book is an invitation to pause reflect and rediscover what your soul was made for Because fulfillment isn't found in gaining the world It's found in never losing your soul **Innovation**

Management for a Resilient Digital Economy Lytras, Miltiadis D., Ordonez, Patricia, Alkhaldi, Afnan, Serban, Andreea Claudia, 2024-12-20 Innovation management is pivotal when creating a resilient digital economy by enabling organizations to adapt, thrive, and stay competitive in an evolving technological landscape. As digital transformation increases across industries, effective innovation management allows businesses to harness emerging technologies, optimize processes, and create new value propositions to meet the needs of consumers and markets. This involves developing new products and services while cultivating a culture of agility, collaboration, and continuous improvement. In a resilient digital economy, innovation management ensures organizations can navigate disruptions, mitigate risks, and capitalize on opportunities. Further exploration into innovation management practices may help drive long-term growth and sustainability in a digitized world. **Innovation Management for a Resilient Digital Economy** explores the intersection of innovation management, emerging technologies, and data-driven industries within the context of building a resilient digital economy. It delves into the latest advancements in technology and examines how these innovations drive new business models that aim for economic success while prioritizing social and environmental impact. This book covers topics such as management science, supply chains, and circular economy and is a useful resource for economists, business owners, managers, computer engineers, data scientists, academicians, and researchers.
