**The Music Producer's Guide to Social Media Content** Sam McGuire, 2025-04-17 The Music Producer's Guide to Social Media Content offers essential insights into the role of audio in content creation for social media platforms. It provides advice on succeeding in the music industry through the successful adoption of social media practices and on creating high quality content as a vehicle of career growth. Introducing both industry standard tools including DAWs, plug ins and hardware and an array of advanced techniques such as consideration of immersive and spatial audio as well as live streaming systems, the book equips readers to create audio for uploaded and streamed media. With a focus on maximizing quality, the book explores destinations and distribution with contemporary case studies while focusing on principles that can be transferred to new technologies as they are released. Throughout, readers gain an understanding of the technology behind media creation, methods of using social media platforms to expand career opportunities and the process of monetizing content. This is an invaluable companion for both novice and experienced music producers who are seeking to promote their work on social media as well as those looking to master the art of creating audio content for social media.

**Beginner's Guide to Adobe Fresco** Jennifer Harder, 2025-08-01 Explore your creative side using a combination of vector and raster pixelated layers and brushes with Adobe Fresco to create your digital painting effects, enhance your designs or create a simple GIF animation. Fresco is a unique drawing application added to the Adobe Creative Cloud suite in 2019. If you are not familiar with Fresco, you may want to know what its practical applications are for your next design project. This book will explore how Fresco can be used as a stand alone creative application using its various tools and panels. However, we will also look at how to import your current artwork created with other Adobe Applications like Photoshop into Fresco to enhance the design. Later, we will look at Fresco's basic animation options as well. Finally, we will look at Export options so that you can use the final files for projects and share them with other Adobe applications outside of the Creative Cloud desktop file folder. You will discover that Fresco is a great application to add to your tool belt of knowledge when your clients ask that additional artistic brush effects be applied to a project. You will also see the various similarities between it, Photoshop and Illustrator. You will Master use of Tools and Panels to enhance your artwork in a new document. Discover the many brush options available within Fresco. Find out how to import artwork into Fresco to edit. Learn to create a GIF animation within the Fresco application. Grasp how to export your completed artwork for other Adobe applications. Who Is This Book For? This book is ideal for beginners, however, some prior experience with using Photoshop and Illustrator to create or color correct the main images before importing is useful. Some information will be briefly discussed regarding these Adobe applications as it specifically applies to Fresco. Students and graphic designers who want to add further brush embellishments to their projects while working with Fresco and other Adobe applications.
