LaFosse, Richard L. Alexander, 2016-10-04 This comprehensive origami book covers all the essentials needed to start folding beautiful projects right away. World renowned origami artists Michael G LaFosse and Richard L Alexander share their wisdom and expertise in this complete introduction to the world of origami paper folding. Beginning origami folders can progress through 16 step by step lessons each with an accompanying downloadable or streamable online video lesson. Each lesson features a project that has been selected to encourage the development of origami folding techniques in a highly enjoyable way. Most of the projects are original, never seen before in print. In addition to presenting invaluable information about how to select your origami papers, how to preserve and display your origami creations and even how to begin selling origami commercially, this origami book also presents the authors original philosophy of the paper folder's art. This indispensable origami book provides an understanding of how to comprehend the folding properties and limitations of various papers. Dance with the Paper which means folding in the air instead of on a table. Design your own original origami models. Wet fold paper money. Make duo sided paper by back coating. Prepare papers with pearlescent and lustrous paints for scintillating effects. Pre paint and wet fold watercolor paper. Understand how the paper's grain impacts fold placement during wet folding. Fold multi piece modular compositions.
