*Original Sources of English History* Louis Francis Salzman, 1921      **Original Sources of English History (Classic Reprint)** L. F. Salzman, 2015-07-08 Excerpt from Original Sources of English History Earlier generations of schoolboys learnt English History as a series of unrelated facts set out in text books of doubtful accuracy but indubitable dullness these facts and above all the dates of their occurrence they memorized at the command of their teachers with the intelligence if not always with the fidelity of the average parrot More of such teachers and text books have survived the passage of years than might have been hoped but for some time past more enterprising teachers have supplemented their text books with Source Books selections of excerpts and translations from ancient chronicles and contemporary records Yet so far as I know no writer has attempted to show the relation between these extracts and the text books or to explain on what bases History is built up This little book which had its origin in a course of lectures on The Original Sources of English History which I gave at St George's School Harpenden seeks to fill that gap Its objects are two first to give the reader some general idea of the materials which the historian can and should use and next to indicate the fascinating light on history which the student can obtain by indulging in research among those materials About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Readings in English History Drawn from the Original Sources* Edward Potts Cheyney, 2012-02-01 Purchase of this book includes free trial access to [www.millionbooks.com](http://www.millionbooks.com) where you can read more than a million books for free This is an OCR edition with typos Excerpt from book READINGS IN ENGLISH HISTORY CHAPTER I THE GEOGRAPHY OF ENGLAND I Accounts By Ancient Geographical Observers The location the shape the surface the climate and the natural productions of England having remained much the same in all ages are no better described in early writers than in those of the present day Indeed their opportunities for observation and their scientific training in geography were so much less that it is to modern not to ancient authors that we must look for accurate and full descriptions Nevertheless it is a matter of interest to see what was the geographical knowledge concerning England of those who lived when its history was opening Its most prominent features were noticed and described by the earliest travelers that reached Britain from the continent Its island character its triangular shape its long days in summer and long nights in winter its high tides its forests its productions of tin grain and cattle are mentioned by one after another of the Greek and Roman writers to whom it seemed a distant and strange land almost another continent Julius Caesar who began to make inquiries about Britain in the summer of 55 B.C. and visited it for the first time in the fall of that year describes several

of these characteristics though he saw only its southeastern portion and makes many mistakes i Caesar s The island is triangular in form one side facing Gaul Of description tnis side one angle which is in Kent where almost all the of Britain ships land from Gaul looks toward the e ast the lower angle of this same side lies towards the south Its length is about five hundred miles The second side of the triangle faces Spain and the west On this side lies Ireland an island as is thought only half as **English History Illustrated From Original Sources** J.
