William Shakespeare

Original Version Loves Labours Lost:

The Original Version of "Love's Labour's Lost" Henry David Gray, 1918 *The New Cambridge Bibliography of English Literature* George Watson, Ian Roy Willison, 1974 **A New Variorum Edition of Shakespeare: Loves labours lost** William Shakespeare, 1904 **Memoranda on Love's Labour's Lost** James Orchard Halliwell-Phillipps, 1879 *Loves Labours Lost* William SHAKESPEARE, 2018-09-13 LOVES LABOURS LOSTA most excellent reason exists for Kenneth Branagh making the decision to turn William Shakespeare s Love s Labour s Lost into a musical comedy when he adapted it for the screen Although critics and the dozen or so people who actually paid to get into a theater to watch it may disagree Even without Branagh s transformation of the play into a 1930s Hollywood style musical Love s Labour s Lost could quite accurately be termed the Bard s attempt at writing a Broadway style musical comedy since a faithful presentation of the intact play with no cuts produces more singing than any other of his plays That being said it is worth pointing out that Branagh s filmed version of Love s Labour s Lost released in 2000 was the first feature film version of the play and not only was the setting updated by several centuries but roughly two thirds of the text was cut and additional characters not found in the original While the film was a flop that failure is not likely placed on those changes since perhaps more than any Shakespeare play Love s Labour s Lost seems to be directed toward the specific aesthetic characteristics of Elizabethan courtiers Very few people then now or ever have any real ability to relate to the aesthetic demands of those attending Renaissance court As a result this very early effort by Shakespeare perhaps his first attempt at a comedy has never been particularly popular once production of Shakespeare s plays moved outside the environs of the aristocracy and into the theater of the people from the Globe to the Cineplex **The Works of William Shakespeare: Love's labour's lost** William Shakespeare, 1893 **Loves Labours Lost** William Shakespeare, 2021-04-14 loves labours lost From William Shakespeare **Shakespeare's Loves Labour's Lost** William Shakespeare, 1924 *Love's Labour's Lost* William Shakespeare, 1874 **Unconformities in Shakespeare's Early Comedies** K. Smidt, 2015-12-22 **Love's Labour's Lost** William Shakespeare, 1998 Love s Labour s Lost now recognized as one of the most delightful and stageworthy of Shakespeare s comedies came into its own both on the stage and in critical esteem only during the 1930s and 1940s after three hundred years of neglect by the theatre and undervaluation and misuse by critics The Introduction to this new edition pays particular attention to this process of rehabilitation The text based on the quarto of 1598 and taking full account of the extensive scholarly study that text has received over recent years rests on the hypothesis that the quarto goes back probably by way of lost quarto to an authorial manuscript representing the play in a state prior to fair copy If this is so the quarto takes on a special significance because through it we can watch Shakespeare in the act of composition improvising changing his mind and revising as his play develops under his hand The editor offers a number of new readings of difficult and disputed passages together with some suggestions about the way in which the play s notorious tangles may have come about

A detailed commentary offers full and helpful guidance to the play's scintillating language Love's Labour's Lost William SHAKESPEARE, 2018-10-09 LOVES LABOURS LOST A most excellent reason exists for Kenneth Branagh making the decision to turn William Shakespeare's Love's Labour's Lost into a musical comedy when he adapted it for the screen. Although critics and the dozen or so people who actually paid to get into a theater to watch it may disagree. Even without Branagh's transformation of the play into a 1930s Hollywood style musical Love's Labour's Lost could quite accurately be termed the Bard's attempt at writing a Broadway style musical comedy since a faithful presentation of the intact play with no cuts produces more singing than any other of his plays. That being said it is worth pointing out that Branagh's filmed version of Love's Labour's Lost released in 2000 was the first feature film version of the play and not only was the setting updated by several centuries but roughly two thirds of the text was cut and additional characters not found in the original. While the film was a flop that failure is not likely placed on those changes since perhaps more than any Shakespeare play Love's Labour's Lost seems to be directed toward the specific aesthetic characteristics of Elizabethan courtiers. Very few people then now or ever have any real ability to relate to the aesthetic demands of those attending Renaissance court. As a result this very early effort by Shakespeare perhaps his first attempt at a comedy has never been particularly popular. Once production of Shakespeare's plays moved outside the environs of the aristocracy and into the theater of the people from the Globe to the Cineplex Outlines of the life of Shakespeare James Orchard Halliwell-Phillipps, 1881 **The Original Version of "Love's Labour's Lost,"** Henry David Gray, 1918 **A New Variorum Edition of Shakespeare: Loues labour's lost. 3d ed. 1910** William Shakespeare, 1910 **Catalogue of Printed Books** British Museum, 1897 **Shakespeare's Comedy of Love's Labour's Lost** William Shakespeare, 2015-06-17 Excerpt from Shakespeare's Comedy of Love's Labour's Lost The earliest edition of Love's Labour's Lost or Love's Labours Lost as Mr Furnivall believes we should write it that has come down to us is a quarto published in 1598 with the following title page as given in the Chamberlain A Pleasant Conceited Comedie called Loues labors lost As it was presented before her Highnes this last Christmas About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A New Variorum Edition of Shakespeare: The tempest. 1892** William Shakespeare, 1892 Excerpt from A New Variorum Edition of Shakespeare The Tempest It is interesting to note the uniformity of the estimate of Caliban's character by the critics While all acknowledge his power and his attractiveness scornings loathings and revilings are nevertheless heaped on him indeed I can recall but one solitary voice really raised in his favour in some respects says Coleridge Caliban is

a noble being It has become one of the commonplaces in criticisms on the Play to say that Caliban is the contrast to Ariel some times varied by substituting Miranda for Ariel and that as the tricky sprite is the type of the air and of unfettered fancy so is the abhorred slave typical of the earth and of all brutish appetites the detested hag seed is then dismissed blistered all over with expressions of abhorrence and with denunciations of his vileness which any print of goodness will not take Is there then nothing to be said in favour of Caliban Is there really and truly no print of goodness in him Kindly Nature never wholly deserts her offspring nor does shake speare We may be very sure that he who knew so well that there is always some soul of goodness in things evil would not have abandoned even Caliban without infusing into his nature some charm which might be observingly distilled out Why is it that Caliban s speech is always rhythmical There is no character in the play whose words fall at times into sweeter cadences if the Eolian melodies of the air are sweet the deep bass of the earth is no less rhythmically resonant We who see Caliban only in his prime and a victim of heredity full grown are apt to forget the years of his childhood and of his innocency when Prospero fondled him stroked him and made much of him and Miranda taught him to speak and with the sympathetic instinct of young girlhood interpreted his thoughts and endowed his purposes with words When Caliban says that it was his mistress who showed him the man in the moon with his dog and his bush what a picture is unfolded to us of summer nights on the Enchanted Island where how ever quiet lies the landscape in the broad moonlight every hill and brook and standing lake and grove is peopled with elves and on the shore overlooking the yellow sands where fairies foot it featly sits the young instructress deciphering for the misshapen slave at her feet the features of the full orb moon With such a teacher in such hours would it be possible for Caliban even were he twice the monster that he is to resist at the most impressible age the subtle influence of the atmosphere of poetry which breathed in every nook and corner of the Enchanted Island The wonder is not that he ever after speaks in rhythm the wonder would be if he did not About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Pictorial Edition of the Works of Shakespeare William Shakespeare, 1867 **The Original Version of Love's Labour's Lost** Henry David Gray, 2015-08-08 Excerpt from The Original Version of Love s Labour s Lost With a Conjecture as to Love s Labour s Won About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may
