Adidas Vs:

Professional and Business Ethics Through Film Jadranka Skorin-Kapov, 2018-08-10 This book considers ethical issues arising in professional and business settings and the role of individuals making decisions and coping with moral dilemmas. Readers can benefit from engagement in filmic narratives as a simulated environment for developing a stance towards ethical challenges. The book starts by elaborating on critical thinking and on normative ethical theories subsequently presenting the structure and cinematic elements of narrative film. These two avenues are tools for evaluating films and for discussions on various ethical problems in contemporary business including the corporate and banking financial machinations, greed, fraud, social responsibility, workplace ethical challenges, harassment, violence, inequity, inequality, professional and business ethical challenges, corruption, whistleblowing, outsourcing, downsizing, competition, and innovation, environmental and social issues, international business and human rights, and personal responsibility and identity challenges due to career pressures, loss of privacy, and cyber harassment and job structure changes in light of changing technology. **Understanding Sport**

Organizations Trevor Slack, Milena M. Parent, 2006 This reference offers an analysis of the issues and theoretical construction behind sport organisations.
