Complete Guide and Toolkit to Successful EHR Adoption Jeffery Daigrepont, Debra McGrath, 2024-11-01 An EHR transformation touches virtually every aspect of a medical practice and brings about an entirely new way of thinking and managing a practice. Regardless of where you are at in your EHR implementation journey adopting a new EHR or trying to optimize an existing EHR the Complete Guide and Toolkit to Successful EHR Adoption Complete Guide and Toolkit to Successful EHR Adoption Jeffrey Daigrepont, EFMP, CAPPM, and Debra McGrath, CRNP, 2011 An EHR transformation touches virtually every aspect of a medical practice and brings about an entirely new way of thinking and managing a practice. Regardless of where you are at in your EHR implementation journey adopting a new EHR or trying to optimize an existing EHR this book explores the process in a practical easy to follow way offering proven strategies for success. Readers will learn methods for developing an implementation plan and project budget selecting the right vendor and preparing your medical practice for transitioning from paper records. This book also addresses federal standards and policies to ensure readers fully understand compliance requirements and the opportunities to take advantage of financial incentives for implementing an EHR

A PRACTICAL GUIDE TO LEADERSHIP AND MANAGEMENT IN ACADEMIC RADIOLOGY Ronald L. Arenson, Cathy Garzio, 2012-01-01 This is a practical nuts and bolts guide that is based on the authors experience and success in the Radiology Department at the University of California at San Francisco. Academic chairs especially those recently appointed struggle with leadership and management. Many have little prior experience in these areas. The material presented here is practical and specific. Each chapter is independent of the others and the text can be used mostly as a reference tool. The text deals with the major issues facing academic Radiology leaders. The topics selected were chosen carefully and are based on the authors collective years of experience attempting to manage their own department but also consult for many others. The first topic is the balance among the three primary missions of an academic department namely clinical care teaching and research. These three major missions will be described in some depth with an effort to provide reference materials that hopefully will stand the test of time and remain useful over the years to come. In addition this text will provide guidance about faculty development departmental organization marketing and fundraising and strategic perspectives. It will be of interest to chairs departmental administrators vice chairs and other departmental leaders section chiefs hospital administrators and of course consultants
