JOHN STEINBECK

Once There Was a War

Once There Was A War Penguin Classics

Andrew Fiala, Jennifer Kling

Once There Was A War Penguin Classics:

Once There Was a War John Steinbeck, 2007-08-28 A Penguin Classic Age can never dull this kind of writing writes the Chicago Tribune of John Steinbeck's dispatches from World War II filed for the New York Herald Tribune in 1943 which vividly captured the human side of war Writing from England in the midst of the London blitz North Africa and Italy Steinbeck focuses on the people as opposed to the battles portraying everyone from the guys in the bomber crew to Bob Hope on his USO tour He eats and drinks with soldiers behind enemy lines talks with them and fights beside them First published in book form in 1958 these writings now with a new introduction by Mark Bowden create an unforgettable portrait of life in wartime that continues to resonate with truth and humanity

Once There Was a War John Steinbeck, 1994-05-01 This book contains the humane and hard hitting dispatches that John Steinbeck filed for the New York Herald Tribune at the height of World War II

Culinary Crossroads Michał Palmowski, Mateusz Urban, 2025-11-10 The volume traces etymologies unpacks recipes explores translation strategies and analyzes food related cultural narratives Topics range from Italian cookbooks and Persian bread making to Portuguese loanwords in French food terms Polish adaptations of Chinese cuisine the origins of pastrami Steinbeck's wartime food descriptions and fasting during the English Reformation Spanning disciplines and continents the contributions offer a rich exploration of food's cultural and linguistic significance As food studies continues to expand into new territories interweaving linguistic digital and cultural approaches this volume contributes to the ongoing conversation about the role of food in shaping our past understanding our present and influencing our future

Penguin Classics Complete Annotated Catalog Penguin Books, 2003

WLA, 2003

The Annotated Memoirs of Ulysses S. Grant Ulysses S. Grant, 2018-11-27 With kaleidoscopic trenchant path breaking insights Elizabeth D Samet has produced the most ambitious edition of Ulysses Grant's Memoirs yet published One hundred and thirty three years after its 1885 publication by Mark Twain Elizabeth Samet has annotated this lavish edition of Grant's landmark memoir and expands the Civil War backdrop against which this monumental American life is typically read No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet an English professor obsessed with Grant for decades brings to the table Whether exploring novels Grant read at West Point or presenting majestic images culled from archives Samet curates a richly annotated highly collectible edition that will fascinate Civil War buffs The edition also breaks new ground in its attack on the Lost Cause revisionism that still distorts our national conversation about the legacy of the Civil War Never has Grant's transformation from tanner's son to military leader been more insightfully and passionately explained than in this timely edition appearing on the 150th anniversary of Grant's 1868 presidential election

Can War Be Justified? Andrew Fiala, Jennifer Kling, 2023-02-21 Can war be justified Pacifists answer that it cannot they oppose war and advocate for nonviolent alternatives to war But defenders of just war theory argue that in some circumstances when the effectiveness of nonviolence is limited wars can be justified In this book two

philosophers debate this question drawing on contemporary scholarship and new developments in thinking about pacifism and just war theory Andrew Fiala defends the pacifist position while Jennifer Kling defends just war traditions Fiala argues that pacifism follows from the awful reality of war and the nonviolent goal of building a more just and peaceful world Kling argues that war is sometimes justified when it is a last ditch necessary effort to defend people and their communities from utter destruction and death Pulling from global traditions and histories their debate will captivate anyone who has wondered or worried about the morality of political violence and military force Topics discussed include ethical questions of self defense and other defense the great analogy between individuals and states evolving technologies and methods of warfighting moral injury and post traumatic stress disorder broader political and communal issues and the problem of regional security in a globalizing world The authors consider cultural and religious issues as well as the fundamental question of moral obligation in a world saturated in military conflict The book was written in the aftermath of the war on terrorism and includes reflection on lessons learned from the past decades of war as well as hopes for the future in light of emerging threats in Europe and elsewhere The book is organized in a user friendly fashion Each author presents a self contained argument which is followed by a series of responses replies and counter arguments Throughout the authors model civil discourse by emphasizing points of agreement and remaining areas of disagreement The book includes reader friendly summaries a glossary of key concepts and suggestions for further study All of this will help students and scholars follow the authors dialogue so they may develop their own answer to the question of whether war can be justified Key Features Summarizes the debate between pacifism and just war theory Considers historical and traditional sources as well as contemporary scholarship and applications Models philosophical dialogue and civil discourse while seeking common ground Discusses issues of concern in contemporary warfighting and peacemaking while offering an analysis of the war on terrorism

War, Literature, and the Arts, 2003 [The British Library General Catalogue of Printed Books 1976 to 1982](#) British Library, 1983 **Steinbeck and the Environment** Susan F. Beegel, Susan Shillinglaw, Wesley N. Tiffney, 1997-02-28
Exciting new essays provide an important model for ecological criticism and an enriched appreciation of the Steinbeck canon
Once There Were Titans Kevin Kiley, 2007-05 This is a masterly study of generalship in Napoleons Grande Arme Napoleon arguably had the greatest collection of military talent to ever serve one man working for him during the period 1800-15 The role of the Marshals of the Empire has been covered many times and due credit is also given to them here however for the first time Kevin Kiley also examines in depth the contribution of the generals who never made that rank Fifty two general officers some well known and some not are examined using the battles they fought to illustrate just how valuable they were From Marengo in 1800 to Ligny in 1815 both French victories and defeats are studied in meticulous detail each chapter covering a battle fought and the generals who commanded them Diverse source material has been consulted in the preparation of this volume including after action reports memoirs and correspondence from officers including Senarmont

Eble Drouot Teste Marmont and Davout as well as from lesser known characters such as the artillerymen Boulart and Nol and the Polish cavalryman Niegelewski who led the final dash up the pass of Somosierra Furthermore those closest to Napoleon such as Fain and Marchand give their piece and provide invaluable information Taken individually this material paints a vivid picture of the Grande Arme and those who led it into fire Taken as a whole it provides an invaluable source and tells the remarkable story of the officers without whom Napoleon could never have achieved as much *John Steinbeck, a Study of His Novels* K. Sreenivasan, 1980 **British Books** ,1961 **THERE ONCE WAS A WAR.** Jeffrey Ethell, 1995 *British Books in Print* ,1965 **Forthcoming Books** Rose Arny, 1997-12 Steinbeck ,1998 Our America, People, Places, Times Rodica Mihăilă, 2005 The American Folklore Society Newsletter ,1983 **Books in Print** ,1991
