## **One Life Jesus Calls We Follow:**

One Life Scot McKnight, 2010-12-21 What is the Christian life all about Studying the Bible attending church cultivating a prayer life witnessing to others those are all good But is that really what Jesus has in mind The answer says Scot McKnight in One Life lies in Jesus words Follow me What does it look like to follow Jesus and how will doing so change the way we live our life our love life our justice life our peace life our community life our sex life everything about our life One Life will open your eyes to the full compelling immensity of what it means to be a Christian Jesus offers to us a kingdom dream that transforms us to the very core of our being says Scot McKnight His vision is so big we are called to give our entire life to it His vision is so big it swallows up our dreams Discover exactly what Jesus meant when he announced the arrival of God's kingdom Equipping you with a new understanding of that kingdom's radical nature One Life shares profound challenging and practical insights on how to demonstrate its reality in your life In many ways what The Cost of Discipleship by Bonhoeffer challenged Christians to do in earlier generations One Life will do for a new generation One Life will call you beyond the flatlands of religiosity toward a kingdom vision that will shape everything you do *Following Jesus Christ* John K. Goodrich, Mark L. Strauss, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today's World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty-first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight Following Jesus Christ represents a major advance in this essential area of study Craig A. Evans Houston Baptist University We are treated here to a survey of what discipleship means in the New Testament from experts in the field and we also see some of the wider dimensions of discipleship in this important work All those wanting to understand discipleship will find this to be a valuable resource Thomas R. Schreiner The Southern Baptist Theological Seminary **Mapping Out Curriculum in Your Church** James R. Estep, 2012 Taking into account biblical theological and historical perspectives leading ministry and education professionals identify the best approach to curriculum formation for the local church using the metaphor of mapmaking throughout *Following Jesus* Phillip C. Thrailkill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to

answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me **Get the Hell Out of Church** Dr. Holt Clarke, 2013-05 Churches rife with infighting and backstabbing Biblical illiteracy rampant among Christians Atheism on the rise Nearly four thousand church closings a year And business is booming for the Devil The church mortality rate is at epidemic proportions and the current rate of morbidity is staggering People are leaving the church in droves tired of the hate intolerance and hypocrisy The prevalence of gang leadership through bullying is creating a crisis of spiritual leadership for many church communities Numerous churches are facing the threat of extinction as they perilously condone devilish behaviors that are worldly divisive and hypocritical Caution is thrown to the wind as church bullies subvert the witness of Christianity in the world In **Get the Hell Out of Church** author Holt Clarke provides biblical wisdom and practical insights for diagnosing and effectively addressing destructive attitudes and behaviors that wreak havoc and subvert the spiritual life of a church community Having served over twenty years in spiritual combat enduring several tours of duty as a pastor Holt Clarke writes from firsthand experience in dealing with evil behaviors that take church communities by storm With theological expertise Holt Clarke equips and empowers you to clean house and throw the Devil out with the trash Join Holt Clarke for a literary experience in spiritual calisthenics that can optimize your spiritual life while promoting church health and growth A powerful concentration of spiritual awareness and practical wisdom this book can equip and empower you to detect and put a stop to virulent behaviors while promoting spiritual health and well being You will learn practical and biblical insights into the spiritual nature of evil how to effectively deal with the emotional baggage derived from toxic experiences and no nonsense strategies to triumph over evil attitudes and behaviors that afflict and subvert your life

Church of England sunday school notes, 1899 **The Blue Parakeet** Scot McKnight, 2016-06-07 Why Can't I Just Be a Christian Parakeets make delightful pets We cage them or clip their wings to keep them where we want them Scot McKnight contends that many conservatives and liberals alike attempt the same thing with the Bible We all try to tame it McKnight's **The Blue Parakeet** has emerged at the perfect time to cool the flames of a world on fire with contention and controversy It calls Christians to a way to read the Bible that leads beyond old debates and denominational battles It calls Christians to stop taming the Bible and to let it speak anew for a new generation In his books **The Jesus Creed** and **Embracing Grace** Scot McKnight established himself as one of America's finest Christian thinkers an author to be reckoned with In **The Blue Parakeet** McKnight again touches the

hearts and minds of today's Christians this time challenging them to rethink how to read the Bible not just to puzzle it together into some systematic theology but to see it as a Story that we're summoned to enter and to carry forward in our day. In his own inimitable style McKnight sets traditional and liberal Christianity on its ear leaving readers equipped, encouraged, and emboldened to be the people of faith they long to be.
