## **Our Reasonable Faith Bavinck:**

Our Reasonable Faith Herman Bavinck, 1956 *Our Reasonable Faith* is an accessible digest of the author's famous four volume *Reformed Dogmatics* and clearly presents the fundamental doctrines of Biblical theology. A practical handbook of theology, it is an outstanding and comprehensive statement of Christian faith and doctrine. Fully supported by Scriptural references, this book provides students, teachers, pastors, and lay readers with a readable, thorough, and systematic presentation of God's revelation.

**Our Reasonable Faith** Herman Bavinck, 1977

**The Formation of Christian Doctrine** Malcolm B. Yarnell, Malcolm B. Yarnell, III, 2007 *The Formation of Christian Doctrine* is an advanced academic study of how Christian doctrine develops, distinguishing in particular between scholarly term invention and less revelatory process of invention.

**Justification and the Kingdom of God, Volume Two** Paul Chul Hong Kang, 2025-02-11 *The Justification and Kingdom of God* series seeks to answer the question: How can justified Christians in Jesus bear the fruit of faith, reflecting growth in God's image? To address this, the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ. This reveals the deeper meaning of the gospel and the restoration of God's image, uncovering hidden treasures. Now the challenge is whether the reader will accept these treasures. *The Kingdom of Justification* strengthens readers with the truth that eternal life, becoming the children of the living God through Jesus's perfect obedience, includes the restoration of God's image in Jesus. This restoration, achieved through Jesus, defines human wisdom, knowledge, righteousness, holiness, and goodness in Christ as God's children. This book warns against following intellectualism and moralism in liberals, which are driven by the marred image of God due to Adam's sin, as guides for one's thoughts and actions. Justification by God's grace alone is the foundation of true Christian growth in Jesus, the core of a Christian's identity and the source of gratitude, joy, and peace. This book continually encourages readers: Don't give up on yourself. You are a child of God.

*Creation and Salvation: Dialogue on Abraham Kuyper's Legacy for Contemporary Ecotheology* Ernst M. Conradie, 2011-03-21 This volume explores the legacy of the Dutch theologian and statesman Abraham Kuyper for contemporary Christian ecotheology. It focuses on Kuyper's understanding of the relationship between creation and salvation. It includes essays and responses by contributors from four continents.

**Seated in the Heavenly Realms** Young Jae Song, 2022-08-04 This book explains key doctrines in theology from the perspective of biblical eschatology. Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God's creation. It is placed in the beginning rather than at the end of theology as the central and foundational motif. The chief end of man in the Westminster Shorter Catechism, for instance, is an eschatological concept in nature as well as in redemption. Eschatology precedes redemption, but the eschatology of nature is fulfilled through the eschatology of redemption in Jesus Christ. The Golden Chain of *Ordo Salutis* and the progress of redemptive history will be interpreted from the perspectives of covenant eschatology and Christology.

**Saving the Earth?** E. M. Conradie, 2013 Christians seeking to save the Earth have to relate creation to

salvation by doing justice to both themes This study explores the ambiguous legacy of the ways in which this challenge has been approached in the reformed tradition of Swiss Dutch and German origins and in the reception of this tradition in South Africa The book focuses on the diverging interpretations of the category of re creation in this regard Series Studies in Religion and the Environment Studien zur Religion und Umwelt Vol 8 *Revelation and Grace* Philip Djung, 2021-06-01 Our globalized world with its increasingly pluralistic societies necessitates a theological framework that enables Christians to embrace their neighbors with respect understanding and love without compromising the essential components of their own faith In *Revelation and Grace* Dr Philip Djung explores the ways in which Hendrik Kraemer s theology of religions offers the church such a framework By placing Kraemer in conversation with other twentieth century Dutch Reformed theologians namely Herman Bavinck Johan H Bavinck and Abraham Kuyper Dr Djung allows the doctrine of revelation and grace to inform his interpretation of Kraemer s work He provides a critical assessment of Kraemer s theology illustrating the significance of Kraemer s commitment to the uniqueness of Christ and the necessity of Christian mission while advocating for the need to amend certain aspects of Kraemer s perspective to more fully reflect God s presence in world religions **The Evangelical Quarterly** ,1958 **Facets of Faith and Science: The Role of Beliefs in Mathematics and the Natural Science** Jitse M. van der Meer,1996 **Our reasonable faith [in Chinese]** Herman Bavinck, Reformation Translation Fellowship,1989 Facets of Faith and Science: The role of beliefs in mathematics and the natural sciences Jitse M. van der Meer,1996 New Dictionary of Christian Apologetics Gavin McGrath,2006-04-18 Editors Gavin McGrath and W C Campbell Jack with consulting editor C Stephen Evans offer this one volume resource packed with hundreds of articles on key topics historic figures and contemporary global issues relating to the study and practice of Christian apologetics
