Keith Ferdinando

Perspectives Israelite Wisdom Proceedings Testament:

Perspectives on Israelite Wisdom John Jarick,2018-09-20 This collection of essays examines the wisdom traditions of the Old Testament from a variety of angles The slipperiness of the concept of wisdom literature the transmission of wise advice for living rabbinic and patristic approaches to the Bible s wisdom traditions and cutting edge modern perspectives on such Old Testament books as Proverbs Job and Ecclesiastes are all to be found here In the tradition of the renowned previous volumes from the Oxford Old Testament Seminar King and Messiah in Israel and the Ancient Near East 1998 In Search of Pre Exilic Israel 2004 Temple and Worship in Biblical Israel 2005 and Prophecy and Prophets in Ancient Israel 2010 this new volume again brings the scholarship of the Oxford Seminar here focused on the rich subject of Old Testament wisdom traditions to an international readership

Perspectives on Israelite Wisdom: The wisdom Corpus of the Hebrew

Bible Oxford Old Testament Seminar,2015 This collection of essays examines the wisdom traditions of the Old Testament from a variety of angles The slipperiness of the concept of wisdom literature the transmission of wise advice for living rabbinic and patristic approaches to the Bible s wisdom traditions and cutting edge modern perspectives on such Old Testament books as Proverbs Job and Ecclesiastes are all to be found here In the tradition of the renowned previous volumes from the Oxford Old Testament Seminar King and Messiah in Israel and the Ancient Near East 1998 In Search of Pre Exilic Israel 2004 Temple and Worship in Biblical Israel 2005 and Prophecy and Prophets in Ancient Israel 2010 this new volume again brings the scholarship of the Oxford Seminar here focused on the rich subject of Old Testament wisdom traditions to an international readership

Journal of Biblical and Theological Studies, Issue 4.1 Daniel S. Diffey,Ryan A. Brandt,Justin McLendon,2019-06-06 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics

Contemporary African

Perspectives on the Bible Tobias Marevesa,Nyasha Madzokere,Lovemore Togarasei,Billy Meyer,2024-08-10 This volume explores current methodological developments in the interpretation of the Bible from an African perspective Previous scholarship has explored the relevance of Eurocentric biblical interpretive methods to African experiences and contexts This

book furthers the discussion by examining the continuing importance of contextual Bible interpretation Authors provide an evaluation of the work done by the precursors and predecessors interpreting the Bible from an African point of view and then analyse the emerging challenges to interpreting the Bible in an ever changing context The volume is a comprehensive resource providing new interpretations of the Bible in Africa and addressing the contemporary questions of people in Africa and beyond

Biblical Humor and Performance Peter S. Perry,2023-08-21 What s so humorous about the Bible Quite a bit especially if experienced with others Nine biblical scholars explore their experiences of reading and hearing passages from the Bible and discovering humor that becomes clearer in performance Each writer found clues in their chosen biblical text that suggested biblical authors expected an audience to respond with laughter Performers have a powerful role in either bringing out or tamping down humor in the Bible One audience may be more disposed to respond to humor than another And each contributor found that experiencing humor changed the interpretation of the biblical passage From Genesis to

Revelation this study uncovers the Bible s potential for humor

Conspicuous in His Absence Chloe T. Sun,2021-02-23 In the biblical canon two books lack any explicit reference to the name of God Song of Songs and Esther What is the nature of God as revealed in texts that don t use his name Exploring the often overlooked theological connections between these two Old Testament books Chloe T Sun takes on the challenges of God s absence and explores how we think of God when he is

perceived to be silent

A History of the Bible John Barton,2019-06-04 A literary history of our most influential book of all time by an Oxford scholar and Anglican priest In our culture the Bible is monolithic It is a collection of books that has been unchanged and unchallenged since the earliest days of the Christian church The idea of the Bible as Holy Scripture a non negotiable authority straight from God has prevailed in Western society for some time And while it provides a firm foundation for centuries of Christian teaching it denies the depth variety and richness of this fascinating text In A History of the Bible John Barton argues that the Bible is not a prescription to a complete fixed religious system but rather a product of a long and intriguing process which has inspired Judaism and Christianity but still does not describe the whole of either religion Barton shows how the Bible is indeed an important source of religious insight for Jews and Christians alike yet argues that it must be read in its historical context from its beginnings in myth and folklore to its many interpretations throughout the centuries It is a book full of narratives laws proverbs prophecies poems and letters each with their own character and origin stories

Barton explains how and by whom these disparate pieces were written how they were canonized and which ones weren t and how they were assembled disseminated and interpreted around the world and importantly to what effect Ultimately A History of the Bible argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible s literal wording which is impossible to determine and focus instead on the broader meanings of scripture

The Biblical World Katharine J. Dell,2021-07-29 The Biblical World is a comprehensive guide to the contents historical settings and social context of the Bible This new edition is updated with several new chapters as well as a new

section on biblical interpretation Contributions from leading scholars in the field present wide ranging views not just of biblical materials and their literary and linguistic context but also of the social institutions history and archaeology and religious concepts New chapters cover topics such as the priesthood and festivals creation and covenant ethics and family life while a new section on biblical interpretation discusses Jewish and Christian bible translation and key thematic emphases and modern reader response and cultural approaches This revised edition of The Biblical World offers an up to date and thorough survey of the Bible and its world and will continue to be an invaluable resource for students and scholars of the Hebrew Bible and New Testament and their history and interpretation as well as anyone working on the societies religions and political and cultural institutions that created and influenced these texts **Index to Jewish Periodicals**,2005 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests Historical Magazine of the Protestant Episcopal Church Edward Clowes Chorley,Walter Herbert Stowe,Lawrence L. Brown,1984

Includes section Book reviews *Proceedings of the British Academy*,2007 *On the Scales of Righteousness* F. Rachel Magdalene,2007 Many commentators have argued that the book of Job contains a trial between God and Job the nature of which is the subject of lively scholarly debate In *On the Scales of Righteousness* the author brings together her training in Old Testament Hebrew Bible biblical interpretation and law to examine the book's legal language She maintains that comparative study of the biblical text and the Neo Babylonian trial system that was in existence at the time the text was most likely written reveals a wealth of information about the trial and allows the reader to solve several of the literary and theological puzzles in Job Approximately 340 Neo Babylonian litigation records were used in this research

Judaism and Christianity; Perspectives and Traditions Luther H. Harshbarger,John Arthur Mourant,1968 I know of no other college course book which discusses a Jewish and Christian position on theological doctrine in one chapter in such a way that one can actually derive from its study a genuine comparative insight into what these two traditions stand for This to me is the pioneering and perhaps the most significant attribute of this book An additional virtue lies in the very fact that while it is as objective as a book of this sort can ever be the fundamental religious conviction of the authors and their acceptance of the validity of other faiths are clearly and encouragingly evident Book jacket

Church and State in Historical Perspective James E. Wood,2005-05-30 The subject of church and state is one intimately associated with the history of Christianity and Western civilization However the subject is one that is by no means limited to any one religious tradition civilization or period of history Rather it is a subject that has historical and universal significance to all cultures and religious traditions throughout the world It is simply undeniable that religion has been and remains a powerful force in the making and shaping of cultures civilizations nations and empires For this reason this volume addresses the broader perspectives of religion and the state in the ancient world as well as in the biblical world of Judaism and Christianity and in other religious traditions than Christianity Attention is given to general works on church and state that treat the subject broadly not limited to any

particular nation religious tradition or single aspect of church state relations Additionally there is material on major topics integrally related to church and state such as civil disobedience civil religion liberation theology patriotism and nationalism Finally sources are included on religion in international affairs and interfaith relations both necessarily linked to the subject of church and state as well as religion and the economic order religion and human rights and the effect of religion on war and peace

A History of Israelite Religion in the Old Testament Period: From the beginnings to the end of the monarchy

Rainer Albertz,1994 *The Triumph of Christ in African Perspective* Keith Ferdinando,1999 Between Horror and Hope is a study of Paul s metaphorical language of death in Romans 6 1 11 The scholarly debate focuses on two main issues the origin of the *commentatio mortis* tradition and its development Dr Sabou argues that the origin of this terminology is original to Paul that it was the apostle s own insight into the meaning of Christ s death a death to sin and his understanding of the identity of Christ in his death as the anointed davidic king which guided him to create this metaphor of dying to sin as a way of describing the relationship of the believer with sin On the development of this language of death the author argues that this language conveys two aspects horror and hope The first is discussed in the context of crucifixion in which Paul explains the believer s death to sin by presenting Christ s death as the death of the anointed davidic king who won the victory over sin and death by rising from the dead Paul affirms that believers are coalesced with what was proclaimed about Christ s death and resurrection thereby allowing him to assert that the releasing of the body from the power of sin is a result of crucifixion This crucifixion is the condemnation inflicted on our past lives in the age inaugurated by Adam s sin and this is such a horrible event that believers have to stay away from sin since sin leads to such punishment In contrast hope is presented in the context of burial The believers burial with Christ points to the fact that they are part of Christ s family and this is accomplished by the overwhelming action of God by which he pushes us toward the event of Christ s death an act pictured in baptism It is this burial with Christ that allows believers to share with Christ in newness of life
