Based on the childbirth class series Northwest Natural Childbirth the workbook stands alone or augments a nine week childbirth class series. The book covers informed consent, simple pregnancy exercises for a healthy mom and partner, whole foods nutrition, labor and birth common challenges, preparing the birth, unplanned what to do if you give birth in the car and the newborn period, and breastfeeding. The writing is fresh, modern and skillful and the illustrations are gorgeous *Guide and Criteria for Program Quality Review* California. State Department of Education, California State Dept. of Education, Sacramento, 1994 This document contains guidelines to be used by California schools in conducting the Program Quality Review (PQR). The goal of the self review process is to enable the entire school community to focus through extensive discussion on how the curriculum and instruction in a school can be improved so that all students can be fully engaged in a high quality thinking, meaning centered curriculum. Part 1 presents a question and answer format to clarify concerns about the PQR process and describes the major steps in the process. Preparation, the curriculum self review process and implementation followup. It also outlines the roles of external consultants. Part 2 specifies criteria for evaluating curricula such as health education, history and social science, language arts, mathematics, physical education, science and visual performing arts, and instructional support. Each curriculum criterion includes a focus statement and corresponding examples of student work and professional practices. Instructional support sections contain a focus statement and exemplars of teaching activities. The third part contains sample timelines, student work summaries, improvement plans and visitation reports. The final part provides information about California regional networks of foundation and partnership schools and lists of relevant organizations and publications.
