**Perspectives on Hebrew Scriptures II** Ehud Ben Zvi, 2007 Emerging Scriptures: Torah, Gospel and Qur'an in Christian perspective Schofield, Rodney, 2014-08-22 Rodney Schofield traces the beginnings of Biblical and Qur'anic literature and attempts a reconstruction of their original settings He reassesses some of the classical theories and shows that the scriptures of the Abrahamic faiths Torah Gospel and Qur'an possess many shared perspectives reflecting their common heritage A better appreciation of this shared legacy he contends could promote greater mutual understanding and foster respectful co-existence among believers *George W.E.*

*Nickelsburg in Perspective, vol. 2* Jacob Neusner, Alan Avery-Peck, 2022-11-07 Here we reread George W. E. Nickelsburg's more important articles and encounter afresh some of his books to criticize them and to attend to his response to the criticism This set of Auseinandersetzungen thus carries forward the life of learning and debate that yields a rich harvest of scholarship It pays tribute to a scholar through acts of engaged critical scholarship in which specialists reread articles reproduced in these pages and respond to them with Nickelsburg then joining issue a protracted engagement spanning an entire intellectual career and many of its more important moments Nickelsburg's work not only deserves such rigorous analysis it also sustains it On any list of scholars who over the past forty years have defined and cultivated the field of Second Temple Judaism and early Christianity George Nickelsburg is included at or near the top Here we present the natural outcome of such a life in the academy scholars in contention over truth The print edition is available as a set of two volumes 9789004129870

Thompson, 2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul's theology of Christian freedom they have not considered how Paul's declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slave's perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well      **A New Perspective on Hebrews** Kenneth Schenck, 2019-08-27 Going against the tide of much recent scholarship on Hebrews Kenneth Schenck argues that the letter was addressed to a primarily Gentile audience to console them and strengthen their faith in the wake of the destruction of the Temple The implications that Christians Jews and Gentiles alike valued the Temple highly and grieved its destruction point to a new perspective on the so called parting of the ways between Jews and predominantly Gentile Christians Schenck's work challenges many of the established assumptions of Hebrews scholarship and will deserve close attention for years to come      **Israel's Exodus in Transdisciplinary Perspective** Thomas E. Month Bill Hagedorn delves into the profound and often debated topic of the date of Jesus crucifixion. This exploration is crafted exclusively from biblical texts offering readers a unique opportunity to engage with the material in an accessible way free from complex theological language. The book is thoughtfully organized to guide readers through the historical context and scriptural interpretations that surround the final days of Jesus. Hagedorn begins by laying a solid foundation discussing the significance of the Hebrew Bible and clarifying the multiple meanings associated with the term Passover. In the first section readers will gain insight into the biblical calendar which is essential for understanding the events leading up to the crucifixion. Hagedorn introduces the type/antitype concept a key interpretative tool for exploring God's appointed times and their relevance to the life and mission of Jesus. As the journey continues the author meticulously examines pivotal events such as the Lamb Selection Day and the Passover illuminating their typical and antitypical significance. Readers will discover how the Feast of Unleavened Bread and the event of Firstfruits connect to the overarching narrative of redemption woven throughout Scripture. Hagedorn does not shy away from addressing critical issues present in the Gospel narratives. He invites readers to consider the intentions of the religious leaders and the cultural implications surrounding the Last Supper. By scrutinizing key time markers in the accounts of Jesus' death he provides clarity to the complex timeline enhancing the reader's understanding of the events. In the concluding sections Hagedorn weaves together the findings and arguments presented throughout the book emphasizing the necessity of resolving the debate surrounding the date of Jesus' death. This resolution is framed not only as an academic pursuit but also as an opportunity for deepening one's faith and understanding of the Christian experience. Included is a comprehensive study guide designed for both individual readers and group discussions enriching the reader's experience and encouraging reflection. The 14th Day of the First Month offers a fresh perspective on this critical biblical event inviting readers whether seasoned theologians or curious newcomers to journey deeper into the Scriptures. Hagedorn's insightful analysis promises to enlighten, challenge, and inspire all who seek to understand the significance of Jesus' death within the context of the biblical narrative.
